22 July '13

Mayor Scott + Haines Borough Assembly,

Regarding resolution 13-07-472, I urge you to keep the current heli-ski areas. BLM's Ring of Fire decision is still pending; Fish + Game goat studies are not complete; and Fish + Game recommends no map changes at this time. In addition, please keep the front ranges heli-free. New areas are unwarranted; large areas were added last year.

I support Ordinance 13-07-339's for introduction and adoption. And, I suppor Mayor Scott's proposed changes requiring 5 GPS spot check per company per season with violations triggering 5 more checks; increased fines as proposed; + 4 violations in 1 season leading to permit revocation.

Thank you,

Laurie Dadourian
