## * Explanations-------flight deviations, accidents, incidental wildlife observations, if any

| Date | |
|---|---|
| 04/07 | Stellar was skiing in the Johnny ward area. We launched at 12:30 and had skied 3 or 4 runs when we noticed AK Heli was skiing in the same drainage (Tsirku) but we were |
| | However we were on different sides of the mountain and there was no compromise in safety. The pilots communicated and both companies respected each others space |
