

The purpose of the boat harbor advisory committee is to deliberate over matters concerning the construction, improvement, maintenance, use, operation, and regulation of borough port and harbor facilities, and also may make recommendations regarding these issues to the assembly, either directly or through the manager or harbormaster. Reference: HBC [16.08.010](#) & [2.60](#)

Board meetings are open to the public and are posted at least three days prior to the meeting. The posted meeting notices include the topics to be discussed.
