

HAINES BOROUGH  
HAINES, ALASKA

# PUBLIC NOTICE

## TOWN HALL MEETING

**“Outstanding National Resource Waters –  
the designation process and current  
legislation”**

**Monday, February 22, 6:00-8:00 p.m.**

**Location: Chilkat Center Lobby**

### **Special Guest**

**Michelle Hale, Director of the Division of Water in the  
Alaska Department of Environmental Conservation**

Ms. Hale is a chemist with 25 years of experience in water quality protection and management in Alaska. She has managed a private environmental chemistry laboratory, has served as environmental coordinator for the Kensington Mine, and has extensive experience with wastewater discharge permitting. She worked for the Department during the Exxon Valdez Oil Spill, and has been back with DEC since 2000, serving as Director of the Division of Water since 2011. Ms. Hale is a lifelong Alaskan who has lived in Juneau, Douglas, Anchorage, Valdez, Craig, the northwest coast of Prince of Wales Island, and many points in between .
