Date .	1		•		•			
3/2/2016	Upon returning to field after refueling aircraft, new coastal pilot landed outside permitted area to wait in a safe location for groups to complete descent to pickup.							
					rea and had no clients or personnel on bo		· ·	
3/13/2016	New pilot with Last Frontier Air Ventures took wrong flight path to 18 mile. He was unable to locate Heli port and flew up valley and over 26 mile area. Problems with the							
	onboard aircraft radio made communication with SEABA ground resources impossible. Pilot has been informed of incorrect flight path and aircraft is grounded							
	until communications issues are sorted.
