

Haines Borough
PLANNING COMMISSION
RECORD OF DECISION

DATE: August 9, 2012

TO: Borough Assembly

FROM: The Haines Planning Commission

PLANNING COMMISSION DECISION:

Motion: Turner moved "for the Planning Commission to support the Borough's effort to inform the public about the APOC disclosure forms," and the motion passed unanimously.

RATIONALE:

The current state APOC standards appear to be a barrier for some Haines Borough residents who may wish to run for public office. Adopting Haines Borough standards would make it easier to find candidates for Borough office.
