**Petition to Haines Borough Assembly
To Reconsider Vote for the Minor Offenses Ordinance
Ordinance No. 15-06-413**

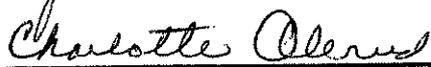

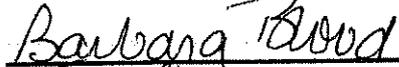

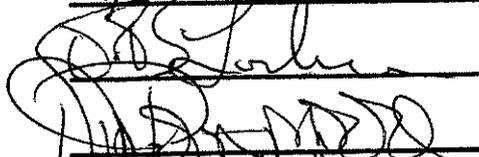

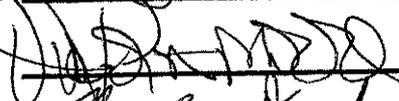

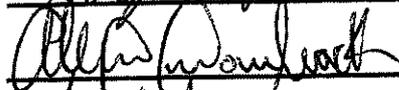

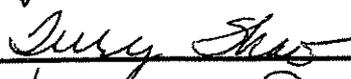

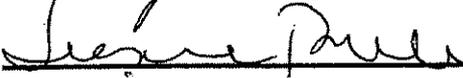

We, the undersigned residents of Haines Borough, are aggrieved by the fact that on September 22, 2015 the Haines Borough Assembly voted to pass Ordinance 15-06-413 also known as the Minor Offenses Ordinance. Our grievance is based, in part, on the following:

This Ordinance:

- Has been promoted by the Borough Administration with incorrect and misleading statements.
- Has not been vetted by the public and has not had a complete review by all applicable Borough committees and commissions.
- Has been voted on before the Public Safety Commission's recommendations were incorporated into the Ordinance.
- Has been voted on before completion of the public process and without information being provided to the Assembly from Borough committees and commissions.

We do not support the Minor Offenses Ordinance as written. We also expect our elected officials and administration to follow the public process as designated in local and state law.

Therefore, we ask the Haines Borough Assembly to reconsider the vote to adopt the Minor Offenses Ordinance No. 15-06-413 at the October 13, 2015 assembly meeting and vote "NO". We further request this ordinance to be returned to the public process. Ample time must be provided in the public process for a full review of all aspects of Haines Borough Code that will be affected by this ordinance.

Petition to Haines Borough Assembly
To Reconsider Vote for the Minor Offenses Ordinance
Ordinance No. 15-06-413

We, the undersigned residents of Haines Borough, are aggrieved by the fact that on September 22, 2015 the Haines Borough Assembly voted to pass Ordinance 15-06-413 also known as the Minor Offenses Ordinance. Our grievance is based, in part, on the following:

This Ordinance:

- Has been promoted by the Borough Administration with incorrect and misleading statements.
- Has not been vetted by the public and has not had a complete review by all applicable Borough committees and commissions.
- Has been voted on before the Public Safety Commission's recommendations were incorporated into the Ordinance.
- Has been voted on before completion of the public process and without information being provided to the Assembly from Borough committees and commissions.

We do not support the Minor Offenses Ordinance as written. We also expect our elected officials and administration to follow the public process as designated in local and state law.

Therefore, we ask the Haines Borough Assembly to reconsider the vote to adopt the Minor Offenses Ordinance No. 15-06-413 at the October 13, 2015 assembly meeting and vote "NO". We further request this ordinance to be returned to the public process. Ample time must be provided in the public process for a full review of all aspects of Haines Borough Code that will be affected by this ordinance.

**Petition to Haines Borough Assembly
To Reconsider Vote for the Minor Offenses Ordinance
Ordinance No. 15-06-413**

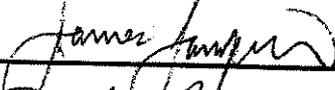

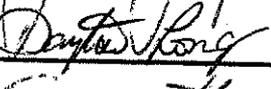

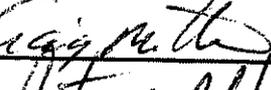

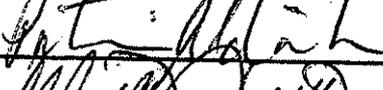

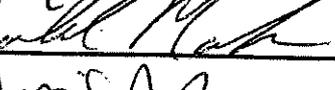

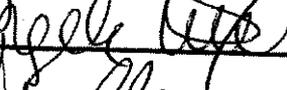

We, the undersigned residents of Haines Borough, are aggrieved by the fact that on September 22, 2015 the Haines Borough Assembly voted to pass Ordinance 15-06-413 also known as the Minor Offenses Ordinance. Our grievance is based, in part, on the following:

This Ordinance:

- Has been promoted by the Borough Administration with incorrect and misleading statements.
- Has not been vetted by the public and has not had a complete review by all applicable Borough committees and commissions.
- Has been voted on before the Public Safety Commission's recommendations were incorporated into the Ordinance.
- Has been voted on before completion of the public process and without information being provided to the Assembly from Borough committees and commissions.

We do not support the Minor Offenses Ordinance as written. We also expect our elected officials and administration to follow the public process as designated in local and state law.

Therefore, we ask the Haines Borough Assembly to reconsider the vote to adopt the Minor Offenses Ordinance No. 15-06-413 at the October 13, 2015 assembly meeting and vote "NO". We further request this ordinance to be returned to the public process. Ample time must be provided in the public process for a full review of all aspects of Haines Borough Code that will be affected by this ordinance.
