Kathy --

I'm writing in response to your notice of the application of Steve and Anne Marie Fossman for a Conditional Use Permit to operate a vacation rental on Lot 1, River Road, Cemetery Hill Subdivision.

My home and vacation rental ("River House") are on lots 3A and 3B in the same subdivision.

I have no objection to this application. In fact, I welcome a nearby location to which I might refer folks that I cannot accommodate at River House.

I hope you can provide this note to the members of the Planning Commission for tomorrow evening's meeting.

Thanks!
