Present: Julie Cozzi, Borough Clerk
Brian Lemcke, Director of Public Facilities

Carlos Jiminez (representing North Pacific Erectors)
Dave Stickler (representing Stickler Construction)

* The Borough has the legal authority to waive the failure of bidders who actually hold state and borough licenses from submitting copies of those licenses with their bid. The borough has chosen to exercise that authority.

+ Northern Construction made a significant error in calculating their bid and made a written request to withdraw. The Borough has allowed it and will recommend award to the second lowest bidder, Henry Construction.
