Re: **NOTICE OF DENIAL OF PERMIT FOR WILDERNESS SAFARI**

Dear Mr. Murphy,

In accordance with HBC 5.04.070 this letter serves as notice of the Borough's denial of your 2019 commercial tour permit due to the violation of AS 05.25.055, Failure to Register Powered Boats, as found by Sgt. Zito of the Alaska State Troopers in his report of July 30, 2018.

A condition applicable to all permits is the permittee's responsibility to comply with all municipal, state and federal ordinances, statutes and regulations (HBC 5.04.080).

For the above reason alone the permit is denied. There may be other/further reasons for denial but since the permit application did not overcome this initial hurdle, a more detailed review of all possible reasons for denial has not been made. The Borough reserves the right to do so in the future.

Pursuant to HBC 5.04.090, you have the right to appeal this decision in writing to the manager within 15 days after the notice is given in person or mailed, as applicable. The manager shall hold a public hearing on the appeal as provided in HBC 5.04.100. After the appeal hearing, the manager may order that the permit:

1. Be issued;
2. Not be issued; or
3. Be issued subject to designated conditions.

Thereafter, an applicant may appeal the manager's decision by following the procedure set out in HBC 5.04.110.

Sincerely,

HAINES BOROUGH
