## Parcel Viewer Terms of Use

This web mapping application provides a visual display of data for your convenience. The Haines Borough ortho-imagery is provided by the Alaska Department of Commerce, Community and Economic Development. The imagery was generated in 2011. The core area around Haines has a six inch pixel resolution and the regional area has two foot pixel resolution.

Every reasonable effort has been made to assure the accuracy of the maps and associated data, but the Haines Borough makes no warranty, representation or guarantee as to the content, sequence, accuracy, timeliness or completeness of any of the data provided herein. The user of these applications should not rely on the data provided herein for any legal reason. The Haines Borough explicitly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose. The Haines Borough shall assume no liability for any errors, omissions, or inaccuracies in the information provided regardless of how caused. The Haines Borough shall assume no liability for any decisions made or actions taken or not taken by the user of the applications in reliance upon any information or data furnished hereunder. Information on this site is not intended to constitute advice nor is it to be used as a substitute for specific advice from a licensed professional. You should not act or refrain from acting based upon information in this site without independently verifying the information and, as necessary, obtaining professional advice regarding your particular facts and circumstances. To be sure of complete accuracy, please check with Haines Borough staff for updated Information.

The GIS data are proprietary to the Haines Borough, and title to this information remains in the Haines Borough. All applicable common law and statutory rights in the GIS data including, but not limited to, rights in copyright, shall and will remain the property of the Haines Borough.

You can search by owner name, subdivision name, legal description, or parcel ID number. Or you can zoom in on the map and click on a parcel. Once a parcel is selected, you will get access to the property tax and assessment information. Information shown on the parcel viewer is derived from public records that are constantly undergoing change.
