

Chilkat Valley COVID-19 Community Assessment Survey

Thank you for taking the time to share your experience during the COVID-19 pandemic. There are many local organizations, committees, and volunteers working together to figure how to best meet the needs of our community during these unprecedented times. By participating in this survey you are playing an important role in helping our community respond. Please let us know what you, your family, and your neighbors need. We sincerely want to know what your challenges are – no matter how big or small.

*Southeast Alaska Independent Living (SAIL) in collaboration with Chilkat Valley Community Foundation have constructed this survey using examples from surveys used in similar communities and local input. All information you share below is collected anonymously. The results of this survey are expected to be made available to the community after July 1st.
