HBC 5.24.050(D)(1)

f. The committee shall make a recommendation to the manager on or before September 30th. The manager shall prepare a recommendation for the assembly and will not be bound by the committee's recommendations. However, the manager shall also provide the committee recommendations to the assembly for consideration.

As required by HBC 5.24.050 D (1) (f) the Committee is unanimously recommending to the Manager to extend the period for a recommendation of the HeliSki Committee to the Manager until December 31, 2020 and to require the Pick Up and Landing Zone data to be submitted to the Committee from the Industry Seat no later than September 30, 2020.

The next HeliSki Map Committee meeting will be held on October 15, 2020 at 6:30 PM via Zoom.
