Mayor Scott, Borough Assembly, and Manager Julie Cozzi,

The heli-ski industry's proposal to open areas 1, 2, and 21 for a "special event" is an obvious manipulation of Borough Code. Please do not allow them in these areas for the same reasons these areas are not on the regular heli-map. They need to be protected and so do the residents from the noise this industry creates. Our Comprehensive Plan includes that residents choose Haines because we care about our quality of life. Helicopters represent non-resident quality of life.

Thank you,

Laurie Dadourian
