**RESOLUTION No. 22-04-963**

I am alarmed by the prospect that the Klehini and Chilkat Valley corridor, ending at the harbor and sweeping up to Lutak, might be jeopardized by ore trucks hauling Canadian mining efforts. That the Upper Klehini and Chilkat rivers are put in harm's way with the Palmer/Constantine project is unconscionable. That our elected leaders might try to squeeze a negotiation to create an ore terminal without involving the necessary public input is both alarming and unconscionable.
