Good morning Alekka,

Please distribute this letter to the mayor and borough assembly members and add it to the public comment section on the web.

Thanks!

Dear Borough Assembly members and Mr. Mayor,

I am writing to request that you delay action on RESOLUTION No. 22-09-996 to allow public review and input on the Turnagain Marine Construction proposal for the Lutak dock.

The company's proposed dock project seems to far exceed the concept for the dock that the public had approved as of the earlier town hall meetings, and this is concerning.

It seems premature to award a contract without submitting the newly proposed project to the community for comment.

Thank you for your consideration.

Cecily Stern
