Re: Public Input Needed

Date: Sept. 10, 2022

This letter is my request that the Borough Assembly postpone the vote on Resolution 22-09-996 on the contract with Turnagain Marine Construction for the Progressive-Design-Build of the Lutak Dock Replacement Project.

The public has not had the opportunity to provide input on the new and revised dock design. This is a violation of the Haines Borough Charter Section 18.03 which states 'At each meeting the public shall have reasonable opportunity to be heard.'

These are our public resources and we all deserve the opportunity to weigh in. Period.

I am asking you to do the right thing and provide the public with "reasonable opportunity to be heard."

Sincerely,

Ellen Larson
