Dear Ms. Fullerton,

Please include the following comments in the Borough Assembly packet for its meeting on Tuesday 9/13/22:

Dear Mayor and Borough Assembly,

The assembly will be voting on Resolution 22-09-996, new Business Item A. 3., to authorize the Borough Manager to execute a contract with Turnagain Marine Construction for the Progressive Design Build of the Lutak Dock Replacement Project for an amount not-to-exceed \$310,000.

We implore the Assembly not approve this resolution at this time given that this is for a new dock design that is different from the ones publicly discussed for phases 1-3. We feel the borough should allow for a public process to take place in order for the project to be better understood by the community, and to be sure that whatever plan is adopted is a good fit for and is accepted by the majority of Haines residents.

Respectfully yours,
Tom and Liz Heywood
