Good morning Alekka

Will you please forward this to the Assembly, Manager, and Mayor

Thank you.

Haines Borough Assembly, Manager Kreitzer, and Mayor Olerud,

RE: Resolution 22-09-996

Please do not act on this resolution. There is no reason to push this project forward when our needs are more than being met by the current dock. In addition, there has not been public process or input about this project; it has financial risks, which are great and not worth it; and the negative impact an ore dock would have in our valley, on our roads is not worth it - big trucks hauling toxins is not a safe place to live for any of us or the food we eat.

Please take no action on this resolution.

Thank you very much,
Laurie
