Dear AClerk Fullerton,

Please add the following letter to the Supporting Documents for the Borough Assembly meeting to happen tomorrow, Sept 13:

Dear Mayor and Assembly Members,

I am completely opposed to the potential awarding of a \$310,000 contract for a new Lutak Dock design until there has been PLENTY of time for public input on this. The current roll-on-roll-off dock is working fine for Haines' freight and fuel needs. Any improvements to the Lutak Dock move our community closer to becoming an ore terminal, which is NOT desired by a great number of community members, including myself.
