Mayor Morphet and Haines Borough Assembly

Thank you for holding the Lutak Dock review meeting this week. I appreciate that you are looking into this, asking the hard questions, and doing your best to improve the dock to the communities' needs.

I sincerely hope you find a way to contain the damaged cells and improve the dock to an appropriate level for Haines, while still able to utilize the grant. The mega dock that is on the table is not what is needed. I'm concerned about the maintenance costs and that in the future ore may be moved across it.

Thank you for serving Haines.

Sincerely,
Laurie
