Please distribute this letter to all the Haines Borough Assembly Members and the Mayor.

Dear Assembly Members

I am requesting that you consider a “Stop Work Order” for the Lutak Dock Project.

I feel that the public has had too little information and too little input on the project and that a major project may have been launched unnecessarily that will increase our responsibility for huge maintenance for years to come. I think we need to know more about our options and the pros and cons of each plan before proceeding.

Thank you
Leanne Converse
