Re: Lutak Dock Project

Dear Alekka,

Please pass on the following letter to the mayor and assembly members for the upcoming Assembly meeting. Please post it under supporting documents and hit reply so I know it was received. Thank you.

Dear Mayor Morphet and Assembly Members: Ben Aultman-Moore, Natalie Dawson, Kevin Forster, Craig Loomis, Debra Schnabel, Gabe Thomas

As long time Haines residents we write to ask that you pass a stop work order to pause the Lutak Dock Project. Among the many reasons for this request are:

- There are too many unanswered questions.
- Public input is vital, public hearings are necessary.
- A thorough review of financials is needed.
- An evaluation of future costs is paramount.
- There is circulating contradicting information.

We deserve to know everything about a project of this magnitude that has potential to hugely affect the lives of Chilkat Valley residents for years and years to come. Please give us the courtesy of granting this request for a stop work order. Transparency and information gathering are hallmarks of a successful project.

Thank you,  
Mark and Diana Edwards
