Dear Mayor and Assembly Members

Thank you for your many hours of work and thought. I am very grateful to you.

I am writing to ask you to consider passing a motion to stop all work under Turnagain Marine's Phase 2 contract in order to allow the Borough time to consider a scaled down dock design that would not facilitate mineral transshipment.

In Gratitude,
Debra A. Kemp

Dear Aleka Fullerton, Please include my comments under "Supporting Documents". Also ,would you please notify me when this is completed.
