To Whom it May Concern,

I am writing this email to voice my support in approving the conditional use permit requested by Southeast Roadbuilders for gravel extraction at the lot located on Lutak near the Lutak Dock.

As a contractor and resident, I fully support local business and I am confident that the work will be done in a professional and safe manner, allowing residents and businesses the ability to procure material for both residential and commercial projects.

Thank you for considering the application.

Sincerely,

Carlos Jimenez
