Dear Assembly Members,

Thank you for your time and commitment in serving our community.

During Tuesday's meeting I would like you to please pass a motion to stop all work under Turnagain Marine's Phase 2 contract. This will provide the Borough with more time to consider a scaled down dock design that will not only better serve our community, but it will save taxpayers money and not facilitate mineral transshipment.

I am requesting that this comment be included under "supporting documents".

Sincerely,

Tracy Wirak
