Subject: Dock

CAUTION: This email originated from outside of the Haines Borough. Do not click on links or open attachments unless you recognize the sender and know the content is safe.

Red is a beautiful color except when combined with tape. We already sent in our thoughts on this matter and now we have to do it again.

My opinion: You've spent plenty getting the plan we have. Build it. Get started right away before costs go up and before the current dock is no longer usable.

Sincerely,

Alice Austin
