Dear Mr. Mayor and elected Assembly Members,

In light of recent news about the Borough's involvement in negligence of process with federal disbursements of the Porcupine Road and MARAD, I urge the assembly to make transparent the process. It's incumbent on the borough to ensure procedural competence is followed.

Also, I urge you to post on the Borough website the pertinent communications regarding MARAD's investigation and FEMA's memos denying its appropriation of funds. The public has a right to know the facts.

Sincerely,
Anissa Berry
