Subject: The Dock Project

CAUTION: This email originated from outside of the Haines Borough. Do not click on links or open attachments unless you recognize the sender and know the content is safe.

I am in favor of the current plan, design #2, so the community can preserve the dock before it literally disintegrates and falls into the water, taking a portion of our new ferry terminal with it. We would then face a very real problem with little or no federal help. Let's take this step and not stall this project until it is too late!
Thanks Kiersten,
Rodger Tuenge
