Date: February 7, 2024<br>To: Mayor, Assembly<br>Cc: Annette Kreitzer, Borough Manager<br>From: Jila Stuart, Chief Fiscal Officer<br>RE: $\quad$ FY24 $2^{\text {nd }}$ Quarter General Fund Financial Report

The accompanying financial statements show the Haines Borough's general funds (Areawide and Townsite) actual revenues and expenditures for the first 6 months of the fiscal year as compared to the previous fiscal year and as compared to the FY24 Budget amended as of 01/09/2024.

## 01 Areawide General Fund

Generally, Areawide General Fund revenues are tracking at or above budget. With 50\% of the fiscal year elapsed revenues are at $65 \%$ of budget. Revenues are tracking higher than budget primarily due to several large intergovernmental revenues received in lump sum payments during the first half of the year including $\$ 408,273$ of Community Assistance from the State of Alaska and \$430,148 of Payment in Lieu of Taxes from the federal government. Sales tax revenues are roughly flat from the previous year and tracking close to budget. Revenues from the State of Alaska are down compared to the previous year because FY23 had a one-time revenue of $\$ 2,120,669$ to reimburse the Borough for prior years of unfunded school debt reimbursement payments. Investment income is higher than the previous year and higher than budget due primarily to higher interest rates.

Expenditures in the Areawide General Fund are generally tracking at or below budget.

## 02 Townsite Service Area General Fund

Revenues for the Townsite Service Area (TSA) Fund are tracking at or slightly above budget. Expenditures are generally tracking close to budget.
