I am writing to to today to ask you to reject the substitution ordinance. I like the one the Ad Hoc Cmittee came up with. I know that it was stated by an assembly member that shorter term would be better so that members of the community couldn't be bribed. I am asking you what keeps you all from taking bribes? Tou all serve more than 1 year and have friends and family in this town. If you leave it how the Ad Hoc had it you will be able to have people on there with experience and avoid the problem we had last year. Increasing the hearing panel fromn3 to 4 voting members is going to increase the majority to 75% when really you only need 51%. That would make it way harder for someone to prove their case. Please stick to the original ordinance the Ad Hoc Committee cane up with.

Thank you  
Holly Thomas
