Dear Alekka,

Please accept this as my letter of interest to be a member of the Board of Equalization, (BOE).

I have three years experience sitting on the Board of Equalization.

I have purchased and sold multiple parcels of private and commercial real estate, both raw land and structures, in multiple boroughs in Alaska, and am currently involved in a multi year real estate development of my own. Ownership challenges, especially when buying and selling, can be unique and different from ones faced in the construction world; many of these challenges are not obvious without having the experience of ownership.

Through my own development projects and time on the Haines Borough Assembly, I have studied Borough Code, (HBC), and State law in relation to land ownership and citizen's rights. BOE members need to have the ability to translate applicable code into decisions that are fair, consistent with HBC, and defensible through appeals to the Superior Court.

I have over 20 years working in private and commercial construction, new and remodels. This has allowed me to work with and around all of the building trades which allows an educated perspective when discussing property and structural merits and deficiencies.

Currently, within the Borough I own commercial property in the townsite business district, private and potentially commercial industrial properties and a private residence in the 26 mile region, and remote property on the Chilkat River.

With decades of building trade experience, land development, land ownership, experience in purchase and sales of land, years of studying code as an Assembly Member and land developer, I bring applicable experience that would be valuable on the BOE.

Please consider me as a member of the BOE.

Thank you,

George Campbell
Haines Borough Resident

CAUTION: This email originated from outside of the Haines Borough. Do not click on links or open attachments unless you recognize the sender and know the content is safe.

Alekka,

Please consider my name for the BOE.

I have bought, built, remodeled, and sold several houses (contracted and self-built). I have owned a rental income property, and started, operated and sold a separate business (auto repair).

I have worked for the bank (FNBA), and have acted as book-keeper for several businesses over the past 25 years.

I also figured out what was going on with the 2023 assessment process, and held out for my neighbors.

In short, I believe that makes me qualified to serve as a BOE member, and offer my services for a 3-year term, at the pleasure of the People of Haines.

Thank you,
Jennifer Canfield

Haines Borough Clerk,

Please accept this email as my letter of interest to serve on the Haines Board of Equalization.

My qualifications include being a full-time year-round resident of Haines Borough and I have served as a member of the BOE in the past. I also am licensed for real estate sales by the State of Alaska and have familiarity with the IAAO Standard on Assessment Appeal, A Criterion for Measuring Fairness, Quality, Equity and Accuracy.

Regards,

Brenda Josephson

PLEASE BRIEFLY DESCRIBE YOUR QUALIFICATIONS (You may attach a resume):

Please accept this letter of interest to serve on the BOE. My qualifications are that I am a Haines resident and I am willing to donate my time for our community. I have served on the Boroughs BOE in the past and I believe I would be able to bring experience and knowledge of how the BOE works. If I am chosen to be on this board I will use fair and impartial judgment in all of the decisions made. I also believe I have proven in the past to be a team player working to get to fair solutions based on information given the board. Thank

Dear Haines Borough Clerk,

I am writing to express my interest in serving on the Board of Equalization.

As a Haines resident since 2006, a property owner/ builder and former employee of Lutak Lumber I have a very good understanding of what it costs to develop a property in Haines.

I was raised with property valuation being a daily conversation as my step father was an appraiser and my father a land use rights attorney.

I recently appealed my assessment and was satisfied with the result but very disappointed to hear of the struggles my friends and neighbors experienced with their assessments and appeals.

It was clear to me in the process of appeal that we do not have a proper system of valuation or equalization and I am concerned that if not carefully handled by concerned and experienced citizens it will not be able to improve. This will lead to good people leaving Haines as their property taxes are raised beyond reasonable value and the already challenging economic environment becomes more than they are willing or worse yet able to afford.

We must reestablish trust between the borough and the property owners of Haines and I sincerely believe I could be of service.

I am currently employed as a project manager for a developing property in Haines and it has taught me a great deal about the current costs of building with local contractors.

Researching potential investment properties in Haines I have also seen first hand the extreme variations and unrealistic valuations people have regarding their properties.

So, in closing, I am confident I can offer a balanced approach and facilitate informed decisions in appeals of property assessments resulting in mutual benefit for property owners and their borough.

Best,
Richard "Gabe" Long

Dear Alekka,

Please receive this as my letter of interest for a seat on the Board of Equalization, (BOE).

I am now retired from 40 years in the construction trade, the last 20 as Construction Project management of State projects such as Schools, Hospitals, Government buildings, Power Plants, etc. I have extensive experience in both new and remodel, and an exercised ability to see outside the box for unique solutions to difficult problems. My reputation was in the ability to perform the impossible in remote and difficult location across Alaska.

I believe this has given me the long experience to work with a collected body of people to achieve the best outcomes.

I have maintained my home in the Haines Borough for 30 years, showing that I have a vested interest in this area and a desire to see it flourish.

It would be my honor if you consider me for a position on the BOE.

Thank you,
-Kyle Ponsford

Southeast Alaska Regional Health Consortium (SEARHC), Juneau, AK

4 Oct 2013-30 Nov 2013

Bartlett Regional Hospital, Juneau, AK

LOCUMS: Full Service Family Medicine

- Eight week assignment working in multidisciplinary ambulatory health center, managing complex patients in the outpatient, hospital (Bartlett Regional) and obstetrical settings.
- Acquired clear understanding of unique needs for and challenges facing healthcare delivery in multicultural remote Southeast Alaska.

Huntsville Hospital System, Huntsville, AL

1 Dec 2012-30 Nov 2013

Emergency Room Staff Physician, Level 1 Trauma Center

- 796 hours working in both Level 1 and 2 trauma centers with this large health system serving over 750,000 citizens of North Alabama and Southern Tennessee.
- Acquired domain mastery of challenges facing healthcare delivery with all payer mixes during rollout of Affordable Care Act.

U.S. Army Material Command, Redstone Arsenal, AL

July 2010-Dec 2012

Director of Health Services--Worldwide

- Served as Senior Physician and advisor on all matters of medical readiness to a four-star general commanding the U.S. Army Material Command (AMC) —a global enterprise with a presence in all 50 states and 155 countries.
- Held accountability for all Department of Defense (DoD)-directed strategic and operational systems affecting medical readiness within AMC, promoting and monitoring health and wellness across the enterprise and ensuring alignment of AMC with its strategic partners.
- Created a strategic system generating health and Wellness for 71,000 Department of the Army civilians and 1100 Soldiers in a command whose mission centers on sustainment and logistical support of worldwide military operations supporting the United States of America's ongoing involvement in the Global War on Terrorism and all other contingency military operations as directed by the President of the U.S.
- Coached high-performing senior executives on creating *well* organizations.
- Part-time full service Family & Aerospace Medicine practices at Fox Army Health Center

Fox Army Health Center, Redstone Arsenal, AL

Dec 2006-Jul 2010

Chief Executive Officer/Hospital Commander

- CEO of this U.S. Army hospital (super ambulatory health care center) responsible for providing comprehensive medical services powerfully to a multidisciplinary community of over 70 tenant agencies, with a beneficiary population of over 200,000 and civilian workforce of 270 employees.
- Created an operational Warrior Transition unit providing flawless care for over 1500 wounded/injured combat veterans as well as seamless handoff to the Veterans Administration upon retirement or separation.
- Led transformation of the organization from a sickness to a wellness model of health care delivery and organizational culture.
- Developed and implemented a comprehensive leadership development program for top third of the staff.
- Culminated this tour of duty with awards from Department of the Army for best hospital in its class for patient safety, access to care, patient satisfaction and preventive care.
- Successful Joint Commission survey and accreditation-- industry standard for certification of health care delivery platforms.
- Part-time full service Family & Aerospace Medicine practices at Fox Army Health Center

10th Combat Support Hospital (256 beds), Baghdad, Iraq

Feb 2006-Oct 2006

Chief of the Medical Staff/Chief Medical Officer

- CMO and senior physician of the busiest combat support hospital in Iraq responsible for delivery of all trauma services and health care to over 185,000 US and host nation soldiers actively engaged in combat operations.
- Led a high performing—collaborative team of 50 plus physicians who achieved a 94% survival rate for all wounded warriors who entered the hospital with multiple combat related traumatic injuries.
- Created, embedded, and chaired a research cell which has generated over 50 prospective studies leading to enhanced lifesaving medical techniques assimilated and in use by trauma centers throughout the world today.
- Senior physician coordinating implementation of an Iraqi National Health Care System on behalf of U.S. State Department; advised Iraqi President Nouri al-Maliki and his Minister of Defense Surgeon General, Brigadier General Samir on how to create and implement a national health care system.
- Developed and implemented leadership development and trauma resuscitative care training programs for Iraqi physicians that enabled them to save thousands of their fellow countrymen's lives.
- Chaired the following committees: Credentials, Quality, Ethics, Utilization Management, Clinical Policy, Mortality and Morbidity Case Review, and Research.
- Part-time full service Family & Aerospace Medicine practices—hospital based multispecialty with inpatient services.

Heidelberg Army Community Hospital (120 beds), Heidelberg, Germany

June 2004-Feb 2006

Chief, Ambulatory Health Care Clinics

- Associate CMO of Heidelberg Hospital and Senior Physician responsible for delivery of ambulatory health care to 55,000 U.S. soldiers and their families assigned to combat units in nine distinct military communities throughout central Germany.
- Coached and mentored nine health center Directors on how to lead their organizations, providing exceptional health care.
- Built and led a high performing team of 30 plus physicians and mid-level providers who collaborated to generate a business practice model of ambulatory health care (scorecard) delivery adopted by Army medicine.
- Successful survey and accreditation from the Joint Commission of all nine outlying health clinics.
- Created an integrated scorecard for physician and clinic performance recognized as a best practice and assimilated by the Department of Defense into the entire Military Health System where it is in use today.
- Chaired Ethics and Impaired Provider committees.
- Vice-Chaired the following committees: Credentials, Quality, Utilization Management, Clinical Policy, and Research.
- Part-time full service Family & Aerospace Medicine practices—hospital based multispecialty with inpatient services.

Keller Army Community Hospital (90 beds), West Point, NY

July 1998-June 2004

Chief of Cadet/Student Health Services

- Full-time full service Family Medicine (operative obstetrics) and Aerospace Medicine-- hospital based multispecialty with inpatient services.
- Responsible for the health, medical readiness, wellness as well as the moral, intellectual, physical and military development of over 8000 Cadets at the premier institute of leadership and higher learning in America.
- Created a wellness model of health care delivery for West Point Corps of Cadets designed to empower future leaders of character to recognize wellness as a critical tenant of leadership.
- Successful survey and accreditation from the Joint Commission.
- Served as voting member of the Academic Board representing cadets at risk as their personal physician.
- Physician member of admissions committee integral in candidate decision making.
- Developed preceptorship in fundamentals of Primary Care and taught over 20 medical school students.
- Member of following hospital committees: Credentials, Quality, Utilization Management and Clinical Policy.

**Student at New York Medical College, Valhalla, NY then residency in
Family Medicine at St. Joseph's Medical Center, Stamford, CT**

Aug 1991-Jul 1998

- Completed 3 year residency (1995-1998) in Family Medicine at St. Joseph's Medical Center, Stamford, CT.
- Completed medical school (1991-1995) in top quartile of class. Student representative on Admissions committee.
- Served as advisor to Dean of Students for quality of life and curriculum development.

U.S. Army, Locations around the world

May 1979-Aug 1991

Regular Army Field Artillery Officer (Lieutenant thru Major)
