Dear Mayor Morphet and the Haines Borough Assembly,

Thank you for passing a motion during the March 26th Borough Assembly meeting directing the Borough Manager to request Constantine North's 2024 operational plans and permitting schedule.

It means a lot to have a mayor and assembly who are willing to help foster transparency between Constantine North and our community. I appreciate and applaud your actions on this.

Will an update on Constantine's operational plan for 2024 be on the April 9th meeting agenda?

Curiously,

Cynthia Adams
