

Borough Mayor, Assembly, Borough Manager Oct. 31, 2016

I for the life of me can't understand the idea of public vote at this late date. In 2012 Haines precinct voted on the State Bond Prop. A Which included 15 Million for Harbor expansion the vote was over 70 %. In Sept. 2015 I turned in support petition for 14B @ 95% that had 312 signatures in favor of it. The few people that oppose the plan has had ample time to gather their own petition but haven't.

We have had over 50 public meeting in the past 4 years and PND has had at least 4 public meeting and 35%, 65%, 95% that was at the library and the assembly chambers.

What better people to plan the Harbor than the people who use it. Would you have a car mechanic do heart surgery?

This Stall at the 12<sup>th</sup> hour is crazy. We have a great bid of \$13,202 Million with Approximately 1.7 Million left to put in to floats that was one of the major complaint no floats.

It looks like we can get a Grant from Fish and Game to build the Sport Boat Ramp.
