Dear Members of the Haines Borough Assembly,

RE: Solar Aquatic System

Mr. Cohen has approached the Takshanuk Watershed Council regarding his proposal for a solar aquatic system to treat waste water in the Haines Borough. I would like to express that if funding for operations & maintenance and educational programs were secured TWC feels this would provide a great educational experience for the Haines community and TWC would be interested in being a part of this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Meredith Pochardt". The signature is fluid and cursive, written on a light-colored background.

Meredith Pochardt
Executive Director
