Subject: Proposed changes to submitted code revision
Date: Tuesday, August 09, 2016 3:58:54 PM

Hello Madam Mayor and Assembly,

Based on feedback from concerned parties I am offering a revision to the code the TAB submitted revising

HBC 5.18.080(I). Nontemporary Amendment of the Haines Borough Approved Commercial Ski Tour Areas Map.

It was pointed out that the wording we recommended could be misunderstood to state that the assembly can adjust the map schedule outside of the current policy which now reads - only every 3 years. The purpose of putting this section in was only to offer the Assembly a way to deal with proposals that are presented and dates for meetings, or committee organization cannot be met due to timing, weekends, holidays, etc (as what we are dealing with presently)

Proposed changes to the currently submitted recommendation to revise HBC 5.18.080(I) below in red.

g. If circumstances warrant, for a proposal correctly-submitted in accordance with the current map review policy, the borough assembly may adopt a resolution to provide for adjustments to the map amendment schedule to accommodate for reasonable date or schedule conflicts.

Thank you, I will be present at the meeting to answer any questions on the TAB process.
