HAINES BOROUGH, ALASKA
RESOLUTION No. 23-09-1056

A Resolution of the Haines Borough Assembly authorizing the Borough Manager to execute a construction contract with SEAK LLC for the Senior Village Sidewalk Replacement project for an amount not to exceed \$58,807.75.

WHEREAS, approximately 325 lineal feet of 4' wide sidewalk needs to be removed and disposed of and replaced by a new 6" thick 4' wide concrete sidewalk along First Avenue and Mission Street; and

WHEREAS, the existing sidewalk is so cracked/chipped, it is a tripping hazard; and

WHEREAS, the first time the Haines Borough posted a Request for Proposals (RFP) for the work to be completed (June 30, 2023), two proposed bids were received and both were deficient in that one far exceeded budgeted funds and the other was non-responsive for other reasons so the project was put back out to bid; and

WHEREAS, the Borough Assembly appropriated additional funds for the project via Ordinance 24-07-649 adopted August 22, 2023 and the project was re-posted and the new RFP was reissued with a completion date of October 31, 2023; and

WHEREAS, the Haines Borough received two responsive bids on August 31, 2023, from Glacier Construction, Inc. dba Southeast Road Builders for \$78,017.50, and from SEAK LLC for \$58,807.75 (which is the apparent low bidder); and

WHEREAS, the Borough now has appropriated sufficient Capital Improvement Project (CIP) funds of \$60,000 to complete the project,

NOW, THEREFORE, BE IT RESOLVED that the Haines Borough Assembly authorizes the Borough Manager to execute a construction contract with SEAK LLC for the Senior Village Sidewalk Replacement project for an amount not to exceed \$58,807.75.

Adopted by a duly-constituted quorum of the Haines Borough Assembly on this 12th day of September, 2023.
