Congratulations! On Friday, the Department announced that your grant project has been selected for the Fiscal Year (FY) 2021 RAISE Discretionary Grant program.

A list of the successful FY 2021 RAISE applications can be found on the RAISE website: <https://www.transportation.gov/RAISEgrants>.

Beginning in December, representatives from the Department's Operating Administrations will follow up with next steps for your RAISE 2021 award. In the meantime, we encourage selected recipients to familiarize themselves with Federal requirements required to effectively complete the project. Please see <https://www.transportation.gov/policy-initiatives/raise/grant-agreements> for past grant agreements under the program that are currently being updated for RAISE 2021 awards, including updates to implement the program requirements identified in [Section F.2.b of the NOFO](#).

Thank you,

RAISE Grants Team
