Good morning Carolann,

I was going to wait until we met later today, but wanted to let you know that we just got word back from OST and they approved the Scope change.

Congratulations!! Nice to hear this news right before the Holidays.

Thank you
Norman

Hi Norman,

I realize that you have been canceling our meetings lately, however, I would very much like to ensure that you do not cancel tomorrow, Thursday December 22. I feel that it is imperative that we at least connect before the end of the year, just to ensure there are no questions.

Additionally, we would very much like to hear if there are any updates from OST....

The meeting may be very short if there is not a lot happening, but I do not want to get out of the habit of connecting.

Thanks for your understanding.
