Subject: **Power Systems and Supplies of Alaska Oil Discharge Prevention and Contingency Plan, ADEC Plan #: 21-CP-5125; Application Package Is Complete.**

Dear Mr. Bradford:

The Alaska Department of Environmental Conservation (department) has determined that the application package submitted on January 3, 2022 for the Power Systems and Supplies of Alaska Oil Discharge Prevention and Contingency Plan (plan) is complete. The department will approve, approve with conditions, or disapprove the plan and issue a basis of decision document under 18 AAC 75.460 by September 14, 2022. If the plan is approved, the department will also issue an approval letter and certificate.

At any time before the department's decision, Power Systems and Supplies of Alaska LLC may request a preissuance conference in accordance with 18 AAC 75.459. The request may be made orally and will be granted if the applicant demonstrates that holding a conference will materially aid the department in reaching its decision.

If you have any questions, please contact me at 907-465-6648 or rachael.krajewski@alaska.gov.

Sincerely,
