Subject: **Tidewater Transportation Canada Inc. Oil Discharge Prevention and Contingency Plan, ADEC Plan #: 23-CP-1165; Application Package Is Complete.**

Dear Ms. VandenBrink:

The Alaska Department of Environmental Conservation (department) has determined that the application package submitted on January 24, 2023 for the Tidewater Transportation Canada Inc. Oil Discharge Prevention and Contingency Plan (plan) is complete. The department will approve, approve with conditions, or disapprove the plan and issue a basis of decision document under 18 AAC 75.460 by August 16, 2023. If the plan is approved, the department will also issue an approval letter and certificate.

At any time before the department's decision, Tidewater Transportation Canada Inc.. may request a preissuance conference in accordance with 18 AAC 75.459. The request must be made in writing and will be granted if the applicant demonstrates that holding a conference will materially aid the department in reaching its decision.

If you have any questions, please contact me at 907-835-3037 or sonja.mishmash@alaska.gov.

Sincerely,
