Don Turner: Ports and Harbors

Sean Gaffney: TAB

Community Rep: not seated

Chamber Rep : not seated

Next Meeting date: August 10,2015. At Lookout Park.
6:30 pm

Public Discussion: included walkways, benches and trees along Front Street for the length of the harbor, minus driveway, ingress/egress points. Tie the trees and benches into Lookout Park and use it as an anchor for the aesthetic development. Trees and a path to the

beach along the South side of the parking area. Path along the beach to the PC Dock. Consider maintenance and snowplowing, as well as this is a working harbor. Interpretive signs.

Fish and Game-State, says we are that the minimal size for a parking lot, with a harbor of this size.

This committee will make recommendations to the Planning and Zoning Committee

Meeting adjourned at 6:30pm

Respectfully

Diana Lapham
