EOC Update

**Haines Borough – ZERO positive cases of COVID-19
(Juneau has 23 positive cases now in Juneau and 8 positive cases in the Yukon)**

Two new mandates issued:

[Mandate 14 - Non-Congregate Sheltering Order](#)

[Mandate 15 - Services by Healthcare Providers](#)

Shelter in Place is working—please keep it up!

Continue to follow social distancing measures, including maintaining at least six feet between yourself and others, staying at home, avoiding touching your face, and washing your hands frequently.

Haines Borough Critical Infrastructure Plan of Protection (POP Form)

The Haines Borough has been in contact with 13 firms that qualify as Critical Infrastructure industries in the creation of Plans of Protection; one plan has been approved, six plans are being

actively finalized and the remaining plans are still in process. The following [POP form](#) has been created to guide the creation of the plan.

Subsistence Fishing- the Hooligan are coming!

Fishing or hunting is permitted even with the “Shelter in place” mandate but social distancing rules still apply. Keep a distance of six or more feet between individuals not in the same household.

Burn Ban in effect Statewide as of May 1, 2020

The use of burn barrels, the burning of debris piles, and any other outdoor burning activity authorized under previously issued permits will be prohibited on all state, private and municipal lands throughout Alaska as of May 1. Any person or business found to be violating this burn permit suspension order may be issued a citation to pay a fine or appear in court.

This statewide burn permit suspension will not include cooking, warming or signaling fires that are less than three feet in diameter with flame lengths no more than two feet high. It also will not include commercially manufactured outdoor cooking and heating devices with built-in open flame safety devices.
