

REPORT DAMAGE

from the January 8 -1, 2022
Winter Storm

(To report an imminent threat to life or property, please call **911** or 766-2121 first)

Why? To help the Borough fully understand the extent of damage. This will help us identify areas in which infrastructure can be improved. It will also help outside agencies identify areas in which they can assist. Ultimately, your damage report will make our borough a safer place to live.

What? Any information about damage sustained January 8 -11 2022 from the Winter Storm, such as

- Damaged structures (roof collapse, cracks in walls, wet basements, failed structures, etc)
- Damaged, shifted, or cracked foundations
- Flooded, clogged, or damaged culverts
- Property damage (falling trees, landslide, cracks in driveways, etc)

We need a **description** (words and/or pictures), a **location**, and the **time** that you made the observation. Do not report twice.

How? Report information using the form on the Borough web page at (<https://www.hainesalaska.gov/report-flood-damage>).

Secondary reporting options if you can't access the website are:

1. Submit the form on the reverse side to the borough admin building
2. Communicate info to the Haines EOC at (EOC@Haines.ak.us) or 766-6455.

For more info, visit <https://www.hainesalaska.gov>

January 8-11 2022 Winter Storm Damage Report Form

(primary reporting mechanism is the form on the website

<https://www.hainesalaska.gov/community/report-storm-damage>)
