William Seward, Julie Cozzi, Heli-ski committee
Julie, will you please provide a copy of this letter to the committee members.

When will this STOP!

I grew up being taught everyone, and every activity had laws, and rules to follow. Over the years I have learned this is true in most cases. However when the all mighty dollar becomes involved, rules and laws seem to be twisted, and bent. I understand the heli-ski industry brings needed money to Haines proper, at a slow time of the year. However trodding on other people's life style, to put money in your pocket is not moral or right. Somewhere there must be limits on heli-ski activity. The state shows more concern for the goats, than the Haines Borough does for some of its residents. It seems to me the Haines Borough, looks at some of its residents as nothing more than a speed bump on the way to the money! I do not want to see ANY more expansion of the heli-ski industry anywhere in our Borough. THEY HAVE ENOUGH!

Thank you
