

Governor Michael J. Dunleavy
STATE OF ALASKA

**** COVID-19 HEALTH MANDATE ****

Issued: April 22, 2020

By: Governor Mike Dunleavy 
Commissioner Adam Crum, Alaska Department of Health and Social Services
Dr. Anne Zink, Chief Medical Officer, State of Alaska

The State of Alaska is issuing its sixteenth health mandate, based on its authority under the Public Health Disaster Emergency Declaration signed by Governor Mike Dunleavy on March 11, 2020. This Mandate will go into effect April 24, 2020. The State of Alaska reserves the right to amend the Mandate at any time.

To date, the State of Alaska has issued 15 mandates to protect the public health of all Alaskans. These mandates, which have been aimed at flattening the curve, have been beneficial in slowing the spread of the disease.

This Mandate seeks to balance the ongoing need to maintain diligent efforts to slow and disrupt the rate of infection with the corresponding critical need to resume economic activity in a reasonable and safe manner.

This Mandate is the first of a series that are intended to reopen Alaska responsibly. By issuing this Mandate, the Governor is establishing consistent mandates across the State in order to mitigate both the public health and the economic impacts of COVID-19 across Alaska.

This Mandate addresses and modifies a number of prior Mandates and Health Care Advisories, as appropriate, to implement Phase I of the "Reopen Alaska Responsibly Plan." If there is any discrepancy between this Mandate, including its attachments, and any other statements, mandates, advisories, or documents regarding the "Reopen Alaska Responsibly Plan", this Mandate and its attachments will govern. FAQs may be issued to bring additional clarity to this Mandate based on questions that may arise.

Health Mandate 016 – REOPEN ALASKA RESPONSIBLY PLAN- PHASE I-A

Health Mandate 016 goes into effect at 8:00 a.m. on Friday, April 24, 2020.

Reopening Alaska's businesses is vital to the state's economic well-being, and to the ability of Alaskans to provide for their families. At the same time, everyone shares in the obligation to keep Alaska safe and continue to combat the spread of COVID-19. As a result, businesses and employees must, to the extent reasonably feasible, continue to take reasonable care to protect their staff and

operations during this pandemic. Meanwhile, all Alaskans have an obligation to help promote public health and fight this pandemic by continuing to follow public health guidance regarding sanitizing, handwashing, and use of face masks. Those that are at high risk of infection are encouraged to continue to self-quarantine, to the extent possible, and strictly follow social distancing mandates and advisories.

Unless explicitly modified by this Mandate as set forth below and in Attachments D through H, prior Mandates remain in effect unless and until they are amended, rescinded, or suspended by further order of the Governor. The Governor and the State of Alaska reserve the right to amend this Mandate at any time in order to protect the public health, welfare, and safety of the public and assure the state's safe resumption of economic activity.

The activities and businesses listed below that were previously governed by the referenced Mandates may resume under the conditions and guidance provided in the following attachments.

Attachment D – Non-Essential Public Facing Businesses Generally – modifies Mandate 011

Attachment E – Retail Businesses – modifies Mandate 011

Attachment F – Restaurants Dine-In Services – modifies Mandate 03.1

Attachment G – Personal Care Services – modifies Mandate 09

Attachment H - Non-Essential Non-Public-Facing Businesses – modifies Mandate 011

ENFORCEMENT

A violation of a State of Alaska COVID-19 Mandate may subject a business or organization to an order to cease operations and/or a civil fine of up to \$1,000 per violation. In addition to the potential civil fines noted, a person or organization that fails to follow State COVID-19 Mandates designed to protect the public health from this dangerous virus and its impact may, under certain circumstances, also be criminally prosecuted for Reckless Endangerment pursuant to Alaska Statute 11.41.250. Reckless endangerment is defined as follows:

(a) A person commits the crime of reckless endangerment if the person recklessly engages in conduct which creates a substantial risk of serious physical injury to another person.

(b) Reckless endangerment is a class A misdemeanor.

Pursuant to Alaska Statute 12.55.135, a defendant convicted of a class A misdemeanor may be sentenced to a definite term of imprisonment of not more than one year.

Additionally, under Alaska Statute 12.55.035, a person may be fined up to \$25,000 for a class A misdemeanor, and a business organization may be sentenced to pay a fine not exceeding the greatest of \$2,500,000 for a misdemeanor offense that results in death, or \$500,000 for a class A misdemeanor offense that does not result in death.

*****This Mandate is in effect until rescinded or modified.*****

Non-Essential Public Facing Businesses Generally (Not Including Retail)
Attachment D
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy 
Commissioner Adam Crum  Alaska Department of Health and Social Services
Dr. Anne Zink  Chief Medical Officer, State of Alaska

- I. **Applicability:** This Attachment generally applies to businesses interacting with the public which are not included in *Alaska Essential Services and Critical Workforce Infrastructure Order* (formerly Attachment A). Retail businesses are addressed in Attachment E.
- II. **Non-Essential Businesses can resume operations if they meet all of the following requirements:**
 - a. Social Distancing:
 - i. Reservations are encouraged. Walk-ins are permitted if a visitor log is kept that has sufficient information to be able to contact a visitor should the need arise.
 - ii. It is strongly encouraged that cloth face coverings be worn by all employees.
 - iii. No more than 50 percent maximum building occupancy, as required by law, are permitted at any one time.
 - iv. Groups or parties must be limited to household members only.
 - v. Social distance of at least six feet should be maintained between individuals and household groups.
 - vi. Establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff and the public.
 - vii. Entryway signage must notify the public of the business's COVID-19 Mitigation Plan and clearly state that any person with symptoms consistent with COVID-19 may not enter the premises.
 - b. Hygiene Protocols:
 - i. Employer must provide handwashing capability or sanitizer.
 - ii. Frequent hand washing by employees, and an adequate supply of soap, disinfectant, hand sanitizer, and paper towels must be available.
 - iii. Employer must provide for hourly touch-point sanitization (e.g. workstations, equipment, screens, doorknobs, restrooms) throughout work site.
 - c. Staffing:
 - i. Employer must provide training for employees regarding these requirements and provide each employee a copy of the business mitigation plan.
 - ii. Employer must conduct pre-shift screening and maintain staff screening log.

Non-Essential Public Facing Businesses Generally (Not Including Retail)
Attachment D
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

- iii. No employee displaying symptoms of COVID-19 will provide services to customers. Symptomatic or ill employees may not report to work;
 - iv. No employee may report to the work site within 72 hours of exhibiting a fever.
 - v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
- d. Cleaning and Disinfecting:
- i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the business may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, businesses may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - i. CDC protocols can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html> and <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>.

III. Non-Essential Businesses Requiring In-Home Services

- a. **Applicability:** Businesses not falling under the *Alaska Essential Services and Critical Workforce Infrastructure Order* (formerly Attachment A) which require provision of services in a person's home. Examples include, but are not limited to, installation of products such as windows, blinds, and furniture, non-critical inspections and appraisals, and showing a home for sale.
- b. **These businesses can resume operations if they meet all of the following requirements:**
 - i. Social Distancing:

Non-Essential Public Facing Businesses Generally (Not Including Retail)

Attachment D

Issued April 22, 2020

Effective May 8, 2020

Part of Phase II

1. It is strongly encouraged that cloth face coverings be worn by all workers and residents of the home.
 2. Social distance of at least six feet should be maintained between non-household individuals.
 3. Establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff and the public.
- ii. Hygiene Protocols:
1. The worker must wash and/or sanitize hands immediately after entering the home and at time of departure.
 2. The worker must sanitize surfaces worked on, and must provide their own cleaning and sanitation supplies.
- iii. Staffing:
1. Provide training for employees regarding these requirements and the business mitigation plan.
 2. Conduct pre-shift screening and maintain staff screening log.
 3. No employee displaying symptoms of COVID-19 will provide services to customers. Symptomatic or ill employees may not report to work.
 4. No person may work within 72 hours of exhibiting a fever.

II. Retail businesses are encouraged to follow best practices:

- a. Entryway, curbside, and home delivery.
- b. Telephone and online ordering for contactless pickup and delivery.
- c. Cashless and receiptless transactions.

Restaurants Dine-In Services
Attachment F
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy
Commissioner Adam Crum
Dr. Anne Zink, Chief Medical Officer, State of Alaska

- I. Applicability:** This Attachment applies to restaurants only. Bars are addressed in Attachment Q.
- II. Restaurants may resume table service dining if they meet all of the following requirements:**
- a. General:
 - i. Social distancing protocol is maintained.
 - ii. Continue to follow all regulatory and legal standards required to operate a food services business in Alaska.
 - iii. All buffets and salad bars are closed to self-service.
 - iv. Develop protocols in the restaurant's COVID-19 Mitigation Plan to minimize direct contact between employees and customers/groups, and increase physical distancing.
 - b. Capacity:
 - i. Indoors
 - 1. Limit maximum *indoor* capacity to 50 percent maximum building occupancy, as required by law.
 - 2. Businesses that also have a bar may only use 25 percent of the seating in the bar, with the total bar and restaurant seating not to exceed 50 percent of the maximum building occupancy, as required by law.
 - 3. Groups limited to household members only.
 - ii. Outdoors
 - 1. Groups limited to household members only.
 - 2. No more than 20 tables. Tables must be 10 feet apart.
 - c. Operations:
 - i. Walk-ins are permitted if a visitor log is kept that has sufficient information to be able to contact a visitor should the need arise.
 - ii. It is strongly encouraged that cloth face coverings be worn by all employees interacting with the public.
 - iii. Entryway signage stating that any customer who has symptoms of COVID-19 must not enter the premises.
 - iv. Establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff and the public.

Restaurants Dine-In Services
Attachment F
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

- v. Hard copy of written safety, sanitization, and physical distancing protocols (specific to COVID-19) on the business premises.
- vi. Disposableware should be used, when available.
- vii. Condiments by request in single-use disposable packets or reusable condiments by request that are sanitized between parties.
- viii. Fully sanitize tables and chairs after each group.
- ix. Sanitize or provide disposable menus or menu board.
- x. Hourly touch-point sanitization (workstations, equipment, screens, doorknobs, restrooms).
- d. Hygiene:
 - i. Employer must provide hand washing capability or sanitizer.
 - ii. Frequent hand washing by employees, and an adequate supply of soap, disinfectant, hand sanitizer, and paper towels must be available.
- e. Staffing:
 - i. Provide training for employees regarding these requirements and the COVID-19 Mitigation Plan;
 - ii. Conduct pre-shift screening, maintain staff screening log;
 - iii. No employee displaying symptoms of COVID-19 will provide services to customers. Symptomatic or ill employees may not report to work;
 - iv. No person may work within 72 hours of exhibiting a fever;
 - v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
- f. Cleaning and Disinfecting:
 - i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the restaurant business may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, restaurant businesses may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.

Restaurants Dine-In Services
Attachment F
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

- i. CDC protocols can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html> and <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>.

III. Restaurants are encouraged to follow additional best practices:

- a. Entryway, curbside, and home delivery.
- b. Telephone and online ordering for contactless pickup and delivery.
- c. Cashless and receiptless transactions.
- d. Customers enter and exit through different entries using one-way traffic, where possible.

Personal Care Services
Attachment G
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy 
Commissioner Adam Crum  Alaska Department of Health and Social Services
Dr. Anne Zink  Chief Medical Officer, State of Alaska

- I. Applicability:** This Attachment applies to personal care services including, but not limited to, the following business types:
- i. Hair salons and hairdressers;
 - ii. Day spas, permanent cosmetic colorists, estheticians, and esthetics locations;
 - iii. Nail salons and manicurists;
 - iv. Barber shops and barbers;
 - v. Tattoo shops and tattoo artists;
 - vi. Body piercing locations and body artists;
 - vii. Tanning facilities;
 - viii. Rolwing;
 - ix. Reiki;
 - x. Lactation consultants;
 - xi. Acupressure.
 - xii. Personal Care Services can resume if they meet all of the following requirements:
- II.** Personal Care Services can resume if they meet all of the following requirements:
- a. Compliance with Licensing and Board Direction: Nothing in this mandate or any attachment shall be construed to waive any existing statutory, regulatory, or licensing requirements applicable to providers or businesses operating under this attachment. Service providers should consult their licensing board for additional direction on standards for providing services.
 - b. Business owners and licensees of state boards may opt to require more stringent safety and sanitation measures when reopening.
 - c. Social Distancing:
 - i. Reservations only. Walk-ins prohibited.
 - ii. No person is allowed to stay in waiting areas. Waiting areas should not have any magazines, portfolios, or catalogues. No beverage service can be provided. To reduce potential viral transmission, service providers should advise customers to limit the number of items they bring into the shop. Service providers may require items to be left in a designated location near the entry.
 - iii. Only the customer receiving the service may enter the shop, except for a parent or guardian accompanying a minor, a guardian ad litem, or someone with legal

Personal Care Services
Attachment G
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

power of attorney accompanying an individual with disabilities. Drivers, friends, and relatives cannot enter the business.

- iv. There is generally a limit of one customer per staff person performing personal care services (customer-employee pair). Providers are allowed to have more than one customer if they are at separate work stations, services are provided during discrete blocks of time, and all mandated separation and sanitation is maintained. (Example: a stylist has Client A for a color, Client A sits by themselves for 30 to 45 minutes, the stylist can move to another workstation and perform personal care services on Client B.
- v. No more than 50 percent maximum business occupancy as required by law, is permitted at any one time. All social distancing rules apply at all times.
- vi. Social distancing of at least six feet between customer-employee pairs is required.
- vii. Workstations must be greater than six feet apart to ensure minimum social distancing is maintained.
- viii. Customers must receive pre-visit telephonic consultation to screen for symptoms consistent with COVID-19, recent travel, and exposure to people with suspected or confirmed COVID-19. Stand questions include:
 - 1. Have you been confirmed positive for COVID-19?
 - 2. Are you currently experiencing, or have you recently experienced, any acute respiratory illness symptoms such as fever, cough, or shortness of breath?
 - 3. Have you knowingly been in close contact with anyone who has been confirmed positive for COVID-19?
 - 4. Have you traveled out of state in the last 14 days?
 - 5. Have you knowingly been in close contact with anyone who has traveled out of state and is exhibiting acute respiratory illness symptoms?
- ix. Workstations must be greater than six feet apart to ensure minimum social distancing is maintained.
- x. If a client is exhibiting symptoms, has been in contact with a COVID-19 patient, has traveled outside Alaska in the last 14 days, or presents high-risk factors for contracting COVID-19, a provider may refuse service at that time and reschedule in the future.

d. Hygiene Protocols:

- i. Licensees of the Board of Barbers and Hairdressers are required to follow all safety and sanitation statutes and regulations. The links below provide every day and COVID-19 compliance information.
 - 1. <https://www.commerce.alaska.gov/web/portals/5/pub/BandHStatutes.pdf>
 - 2. https://www.commerce.alaska.gov/web/portals/5/pub/bah_18AAC.23.pdf
 - 3. <https://dec.alaska.gov/media/1054/18-aac-90.pdf>

State of Alaska COVID-19 Mandate 016 - Attachment G

Personal Care Services-Phase II

Personal Care Services
Attachment G
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

- ii. Any sanitation protocols required in state licensing statutes or regulations that are more stringent than those listed in this mandate must be followed.
- iii. Establish a COVID-19 Mitigation Plan that lists the steps the location/provider is taking to protect staff and the public. This plan should include the steps listed in this document.
- iv. Entryway signage notifying the public of the business's COVID-19 Mitigation Plan and stating clearly that any person with symptoms consistent with COVID-19 may not enter the premises.
- v. The COVID-19 Mitigation Plan must include the following steps, at a minimum:
 - 1. Handwashing capability or sanitizer must be provided.
 - 2. Service providers/licensees must wear cloth face coverings, at a minimum. Face coverings must be worn before, during, and after service delivery.
 - 3. Customers must wear cloth face coverings and wash or sanitize hands upon arrival. Face coverings worn by customers may be removed for no more than five minutes at a time when necessary to perform services, but must be worn at all other times, including when entering and exiting the shop.
 - 4. Employees must wash their hands frequently and thoroughly, including before and after each client, using an adequate supply of hot water with soap.
 - 5. Owners/employees must clean and disinfect frequently touched surfaces periodically through the day, at least every four hours. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
 - 6. Workstations, chairs, tools, shampoo bowls, and anything within six feet of client seat must be cleaned and disinfected after each patron.
 - 7. Visibly dirty surfaces must be cleaned immediately.
 - 8. Customer capes are single-use only or need to be cleaned and disinfected before re-using.
 - 9. All tools must be kept in closed containers and labeled properly.
- e. Staffing/Operations:
 - i. The shop owner is responsible for supplying personal protective equipment and sanitation supplies to its employees.
 - ii. Contractors, such as booth renters, are responsible for providing their own equipment and for maintaining all shop safety and sanitation requirements during the hours they are working.
 - iii. It is highly recommended that licensed shop owners and independent contractors leasing space in the shop enter into a written agreement regarding

Personal Care Services
Attachment G
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

PPE and sanitation supplies. The shop owner should ensure that this agreement is posted in the shop's COVID-19 Mitigation Plan.

- iv. If a provider cannot obtain supplies necessary to reopen under normal conditions, plus the provisions of this mandate, a delayed opening is required.
 - v. Provide training for employees regarding these requirements and the COVID-19 Mitigation Plan.
 - vi. Conduct pre-shift screening and maintain staff screening log. The client pre-screening questions are adequate, and providers are not required to take employee temperatures.
 - 1. No employee displaying symptoms of COVID-19 will provide services to customers. Symptomatic or ill employees may not report to work;
 - 2. No employee may report to the work site within 72 hours of exhibiting a fever.
 - vii. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>
 - viii. Licensed schools may reopen if they can meet the requirements of Mandate 016, Attachments D, G, or H, depending on their operational configuration. If a school owner is unsure after reviewing existing mandate guidance for general businesses and personal care services, contact the [Alaska Board of Barbers and Hairdressers](#).
<https://www.commerce.alaska.gov/web/cbpl/ProfessionalLicensing/BoardofBarbersHairdressers.aspx>
 - ix. No employee displaying symptoms of COVID-19 will provide services to customers. Symptomatic or ill employees may not report to work;
 - x. No employee may report to the work site within 72 hours of exhibiting a fever.
 - xi. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>
- f. Cleaning and Disinfecting:
- i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the business may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, businesses may shut down for a period of at least 72

III. Personal Care businesses are encouraged to follow additional best practices:

- a. Cashless and receiptless transactions.
- b. Customers enter and exit through different entries using one-way traffic, where possible.
- c. Reserved hours for operation limited to high-risk populations.
- d. A manager or shop owner should be on site during business hours at all times.

Non-Essential Non-Public-Facing Businesses
Attachment H
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy 
Commissioner Adam Crum  Alaska Department of Health and Social Services
Dr. Anne Zink  Chief Medical Officer, State of Alaska

- I. Applicability:** This Attachment applies to businesses not interacting with the public and which are not included in the *Alaska Essential Services and Critical Workforce Infrastructure Order* (formerly Attachment A).
- II. Non-Public-Facing Businesses may resume operations only if they meet all of the following requirements:**
- a. Social Distancing:
 - i. It is strongly encouraged that cloth face coverings be worn by all employees if interacting with the public and social distancing cannot be maintained.
 - ii. All occupied desks, cubicles, or open workspaces should be at least six feet apart.
 - iii. Any high-risk employee must be provided an alternative workspace and/or special accommodations at the employee's request to avoid contact with, and mitigate the risk of, the employee's exposure to colleagues and others at the business.
 - iv. Employers should make efforts to maximize remote work opportunities for eligible employees.
 - v. Establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff.
 - b. Hygiene Protocols:
 - i. Employer must provide hand washing capability or sanitizer.
 - ii. Frequent hand washing must be enforced.
 - iii. An adequate supply of soap, disinfectant, hand sanitizer, and paper towels must be available.
 - iv. Employer must provide daily touch-point sanitization (e.g. workstations, equipment, screens, doorknobs, restrooms) throughout the work site.
 - c. Staffing:
 - i. Provide training for employees regarding these requirements and provide each employee a copy of the COVID-19 Mitigation Plan.
 - ii. Employer must conduct pre-shift screening and maintain staff screening log.
 - iii. No employee displaying symptoms of COVID-19 will provide services to customers. Symptomatic or ill employees may not report to work.
 - iv. No person may work within 72 hours of exhibiting a fever.

Non-Essential Non-Public-Facing Businesses
Attachment H
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

- v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
- d. Cleaning and Disinfecting:
 - i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the business may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, businesses may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.

Attachment I
Issued April 23, 2020
Effective April 24, 2020
Part of Phase I

By: Governor Mike Dunleavy 
Commissioner Adam Crum  Alaska Department of Health and Social Services
Dr. Anne Zink  Chief Medical Officer, State of Alaska

I. Purpose: This is intended to allow for people to return to the workforce as much as possible while still protecting public health.

II. Requirements to Operate:

- a. Definition of group:
 - i. “Group” includes the number of children in a distinct unit. It does not include staff.
- b. Social Distancing:
 - i. Groups must be static, that is, no mixing of children between groups.
 - ii. Group size must be no more than ten children.
 - iii. Social distancing should be encouraged whenever possible with an understanding on limitations in social distancing in young children.
 - iv. Summer camps should have enhanced social distancing measures and should be held outside whenever feasible.
 - v. Visitors and activities (such as field trips) involving other groups are prohibited.
 - vi. Camp or facility must explain health guidelines to all children and staff, in an age-appropriate manner.
 - vii. Camp or facility must establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff and children.
 - viii. Camp or facility must develop policies that ensure adequate supplies for the number of children in each group to minimize sharing of high-touch materials to the extent possible. For example, camp or facility will procure sufficient art supplies, assign equipment to a single child, etc. If there are not enough high-touch materials for each child, the camp or facility must assure that materials are disinfected between uses and that children wash their hands before and after using shared supplies.
 - ix. Camp or facility must post entryway signage stating clearly that any person with symptoms consistent with COVID-19 may not enter the premises.
 - x. Activities which require projection of voice or physical exertion must only take place outdoors, with a minimum of ten feet between each person, with an understanding on limitations in social distancing in young children.

For the latest information on COVID-19, visit coronavirus.alaska.gov
State of Alaska COVID-19 Mandate 016 - Attachment I

Childcare and Day Camps

Childcare and Day Camps
Attachment I
Issued April 23, 2020
Effective April 24, 2020
Part of Phase I

c. Capacity:

- i. Group size limited to no more than ten.
- ii. A facility, camp, or social activity may oversee multiple groups, as long as the groups are kept apart at all times and no mixing between groups occurs, including staff. Each group should have separate eating areas, recreation space, and restroom facilities.
- iii. Camps should encourage registration for longer periods (multiple weeks versus one week) to minimize mixing of participants.
- iv. For any attendees who come from out-of-state or have recently traveled out-of-state, camp or facility staff will require affirmation from the parent or guardian that the child has abided by the 14-day quarantine requirement prior to participation after arriving in the community.

d. Hygiene Protocols:

- i. Camp and facility staff must clean and disinfect frequently touched surfaces on an hourly basis. This includes tables, doorknobs, light switches, countertops, handles, sinks, faucets, and toys.
- ii. Camp and facility must maintain an adequate supply of disinfectant, hand sanitizer, and paper towels to have available.
- iii. Camp and facility staff must wash hands frequently using hot water, if possible, with soap. Handwashing must occur before and after food preparation, assisting a child with eating, and changing diapers. If soap and water are not readily available, camp must supply hand sanitizer with at least 60 percent alcohol.
- iv. Camp and facility staff should require frequent handwashing or use of hand sanitizer, if handwashing is not available, by the children. This includes upon entry into the facility or camp, before and after an activity, and at a minimum, on an hourly basis.

e. Staffing/Operations:

- i. Cloth face coverings must be worn by all employees. Face coverings may be removed for a short time when necessary, such as when playing a musical instrument, but must be worn at all other times.
- ii. Cloth face coverings are prohibited on babies and children under the age of two because of the danger of suffocation, but cloth face coverings should be encouraged in older children.
- iii. Camp or facility must maintain a hard copy of the COVID-19 Mitigation Plan and any other written safety, sanitization, and physical distancing protocols (specific to COVID-19) on the business premises.

For the latest information on COVID-19, visit coronavirus.alaska.gov
State of Alaska COVID-19 Mandate 016 - Attachment I

Childcare and Day Camps

Childcare and Day Camps
Attachment I
Issued April 23, 2020
Effective April 24, 2020
Part of Phase I

- iv. Camp or facility staff must supervise young children when using hand sanitizer.
- v. Camp or facility staff must communicate to parents or guardians the importance of keeping children home when they are sick. No child may return to camp or facility within 72 hours after last fever.
- vi. Camp or facility staff must screen every child daily upon arrival. If a touchless thermometer is available, staff will conduct temperature checks.
- vii. If a cafeteria or group dining room is typically used, meals should be in classrooms instead. Camp or facility must plate each child's meal individually so that multiple children are not using the same serving utensils.
- viii. If possible, food preparation should not be done by the same staff who diaper children. If the same staff perform both tasks, the staff person must wash their hands before and after every event (food preparation and changing a diaper).
- ix. If possible, the camp or facility should designate certain sinks to be used for food preparation only. If that is not possible, the sink must be cleaned and disinfected after each use.
- x. Camp or facility must teach and model social distancing, creating space, and avoiding unnecessary touching, in an age-appropriate manner.
- xi. Camps or facilities must provide training for staff regarding these requirements and provide each staff member a copy of the COVID-19 Mitigation Plan.
- xii. Camp or facility must conduct staff pre-shift screening and maintain staff screening log.
- xiii. No staff displaying symptoms of COVID-19 will provide services to children. Symptomatic or ill staff may not report to work.
- xiv. No staff member may report to the work site within 72 hours of exhibiting a fever.
- xv. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.

f. Cleaning and Disinfecting:

- i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the camp or facility may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.

For the latest information on COVID-19, visit coronavirus.alaska.gov

State of Alaska COVID-19 Mandate 016 - Attachment I

Childcare and Day Camps

Childcare and Day Camps
Attachment I
Issued April 23, 2020
Effective April 24, 2020
Part of Phase I

- ii. When an active staff member is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, camps or facilities may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by staff performing a comprehensive disinfection of all common surfaces.
- iii. CDC protocols can be found on line at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html> and <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>.

III. The following best practices are encouraged:

- a. Any person in a high-risk population is encouraged to stay home, not work in childcare settings, and avoid entering for drop off or pick up.
- b. Camp or facility should provide for staggering arrival and drop off times and limit direct contact with parents, guardians, or family members as much as possible.

Fishing Charters
Attachment J
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy 
Commissioner Adam Crum, Alaska Department of Health and Social Services
Dr. Anne Zink, Chief Medical Officer, State of Alaska

- I. Applicability:** This Attachment applies to day fishing charter operations and modifies the restrictions outlined in Mandate 011.
- II. Day fishing charters can resume operations only if they meet all of the following requirements:**
 - a. Social Distancing:
 - i. Passengers must bring their own food and drinks onboard. Food and drinks must be kept separate from the crew's food and drinks.
 - ii. Passengers and crewmembers should not pass or share fishing rods or equipment, to the maximum extent possible.
 - iii. Passengers and crewmembers are strongly encouraged to wear cloth face coverings that meet the recommendations contained in Health Alert 010.
 - iv. Crewmembers shall clean or dispose of face coverings in accordance with Health Alert 010.
 - v. If possible, social distance of at least six feet should be maintained between individuals; if not possible, crewmember and patrons must maintain as much social distancing as allowed on the vessel, depending on its size and configuration. Passengers and crewmembers from the same household are not required to social distance from each other.
 - vi. The vessel captain must establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff and the public.
 - vii. Signage must be posted on the vessel to notify the public of the vessels COVID-19 Mitigation Plan and clearly state that any person with symptoms consistent with COVID-19 may not enter the vessel.
 - b. Capacity:
 - i. If patrons are household members, the charter may be for the full legal load/capacity of the boat or vessel.
 - ii. If patrons are non-household members, fishing charters may take 50 percent of the legal load/capacity.
 - c. Hygiene Protocols:
 - i. Crewmembers must provide handwashing capability or sanitizer on the vessel.

For the latest information on COVID-19, visit coronavirus.alaska.gov
State of Alaska COVID-19 Mandate 016 - Attachment J

Fishing Charters-Phase II

Fishing Charters
Attachment J
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

- ii. Frequent handwashing by employees, and an adequate supply of soap, disinfectant, hand sanitizer, and paper towels must be available.
- iii. Crewmembers must provide for hourly touch-point sanitization (e.g., workstations, equipment, screens, doorknobs, restrooms).

d. Staffing:

- i. Vessel captains must provide training for crewmembers regarding the COVID-19 Mitigation Plan, train their crewmembers in basic hygiene practices, such as frequent and thorough hand washing, respiratory etiquette (e.g., covering coughs and sneezes), and discourage crewmembers or passengers from using others' personal property, work tools, and equipment.
- ii. Vessel captains must conduct pre-shift staff screening and maintain a staff-screening log.
- iii. No crewmembers displaying symptoms of COVID-19 may provide services to customers. Symptomatic or ill employees may not report to work.
- iv. No crewmember may report to the work site within 72 hours of exhibiting a fever.
- v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.

e. Cleaning and Disinfecting:

- i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the vessel may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
- ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, vessels or facilities may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.

Fishing Charters-Phase II

Page 2 of 3

**Fishing Charters
Attachment J
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II**

- iii. CDC protocols can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html> and <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>.

Gyms, Fitness Centers, Sports, and Recreational Facilities
Attachment K Revised
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy 
Commissioner Adam Crum  Alaska Department of Health and Social Services
Dr. Anne Zink  Chief Medical Officer, State of Alaska

- I. Applicability:** This Attachment applies to gyms, fitness businesses, and sports and recreational facilities (collectively “athletic facilities”). Examples include, but are not limited to: hockey rinks; indoor fields and tracks; yoga, dance, rock climbing, cycling, and gymnastics studios. This Attachment does not apply to pools or pool activities; those facilities are governed by Health Mandate 016 - Attachment P. This attachment supersedes Health Mandate 016 - Attachment K.
- II. Classes, training, and activities by gyms and fitness businesses may resume operations if they meet all of the following requirements:**
- a. Social Distancing:
- i. Reservations are encouraged. Walk-ins are permitted if a visitor log is kept that has sufficient information to be able to contact a visitor should the need arise.
 - ii. Indoor activity is limited to 25 percent of maximum building occupancy, as required by law.
 - iii. Outdoor activity is limited to a maximum of 50 individuals, including staff and spectators. It is strongly encouraged that spectators wear cloth face coverings.
 - iv. Social distancing of at least ten feet between non-household individuals should be maintained while participating in the fitness or sporting activity. When not exercising, non-household social distancing of six feet should be maintained.
 - v. In class or group workout settings, the athletic facility should provide clear markings to indicate where each person should stand to maintain the ten-foot distance.
 - vi. Workout equipment available for use should be spaced to maintain ten-foot-distancing (can use signage to close certain equipment to maintain distancing).
 - vii. It is strongly encouraged that cloth face coverings be worn by all employees.
 - viii. Athletic facility must establish a COVID-19 Mitigation Plan addressing practices and protocols to protect staff and the public.
 - ix. Entryway signage notifying the public of the athletic facility’s COVID-19 Mitigation Plan and stating clearly that any person with symptoms consistent with COVID-19 may not enter the premises.

Gyms, Fitness Centers, Sports, and Recreational Facilities
Attachment K Revised
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

- x. Each participant must be screened prior to the activity. No one can participate who is exhibiting symptoms or who has knowingly been in contact with a suspected positive case of COVID-19 within the past 14 days.
 - xi. No participant may use the facility or join an outdoor activity within 72 hours of exhibiting a fever.
 - xii. This screening, where reasonably feasible, should be conducted electronically, in advance. If the screening is in person, pens and touch screens must be sanitized before and after each use.
- b. Hygiene Protocols:
- i. Restrooms may be open, but must be cleaned and disinfected hourly
 - ii. Locker rooms must be adequately addressed in the mitigation plan and conform to all health mandates, or be closed.
 - iii. Ancillary accommodations such as Steam Rooms, Saunas, and Jacuzzis/hot tubs shall remain closed.
 - iv. Water fountains and vending machines must be addressed in the mitigation plan or turned off and marked inoperable.
 - v. Facility must provide handwashing capability or sanitizer.
 - vi. Frequent handwashing by employees and an adequate supply of soap and/or hand sanitizer, disinfectant, and paper towels must be available.
 - vii. Employer must provide for hourly touch-point sanitization (e.g., workstations, equipment, screens, and doorknobs) throughout work site.
 - viii. The athletic facility must fully clean and disinfect any equipment prior to the activity, between each participant's use of the equipment, and after the activity.
 - ix. Equipment shall not be shared between patrons at the same time unless from the same household (must be fully disinfected prior to the next participant's use).
 - x. Patrons should arrive at the facility in workout/active wear.
 - xi. Athletic facilities must comply with CDC guidelines to the maximum extent possible:
<https://www.cdc.gov/mrsa/community/environment/athletic-facilities.html>.
- c. Staffing/Operations:
- i. Provide training for employees regarding these requirements and the COVID-19 Mitigation Plan.
 - ii. The athletic facility must conduct pre-shift staff screening and maintain a staff screening log.
 - iii. No employee displaying symptoms of COVID-19 may provide services to customers. Symptomatic or ill employees may not report to work.

Gyms, Fitness Centers, Sports, and Recreational Facilities
Attachment K Revised
Issued April 22, 2020
Effective May 8, 2020
Part of Phase II

- iv. No employee may report to the work site within 72 hours of exhibiting a fever.
 - v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
- d. Cleaning and Disinfecting:
- i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the athletic facility may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, the athletic facility may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - iii. CDC protocols can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html> and <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>.
- e. Mixed Activity/Use: Health Mandate 016 - Attachment E applies if there are retail services provided on-site, such as a gift store or convenience store.

III. Athletic facilities are encouraged to follow additional best practices:

- a. Move to, and promote the use of, cashless and receiptless transactions.
- b. Participants should be encouraged to wear cloth face coverings at all times, including while working out.
- c. Customers should enter and exit through different entries using one-way traffic, where reasonably feasible.

Lodging and Overnight Camping
Attachment L
Issued April 22, 2020
Effective April 24, 2020
Part of Phase I

By: Governor Mike Dunleavy 
Commissioner Adam Crum  Alaska Department of Health and Social Services
Dr. Anne Zink  Chief Medical Officer, State of Alaska

- I. Applicability:** This Attachment applies to camping and lodging facilities and areas, including, but not limited to:
- a. Overnight cabins for rental;
 - b. RV parks;
 - c. Tent sites;
 - d. Privately-owned campgrounds;
 - e. Bed and breakfasts;
 - f. Hotels, motels, and inns.
- II. Unless a business has filed a protective plan, as required under Mandate 010 Attachment A, the above businesses may resume operations only by meeting all of the following requirements:**
- a. Social Distancing:
 - i. Reservations only. Walk-ins prohibited.
 - ii. To the extent possible, a business should take reservations online or by phone and encourage electronic payment methods.
 - iii. When contacted for a reservation, a representative of the business must ask if the group consists only of household members and can rely on the groups answer.
 - iv. Non-household members are prohibited from sharing any cabin, tent, or other lodging.
 - v. Cloth face coverings must be worn by all employees.
 - vi. Social distancing of at least six feet is maintained between non-household members in common areas of the facility/business.
 - vii. Business must establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff and the public, including housekeeping services.
 - viii. Entryway signage must notify the public of the business's COVID-19 Mitigation Plan and clearly state that any person with symptoms consistent with COVID-19 may not enter the premises.
 - ix. Campsites, tent sites, and RV sites must be spaced apart, with no site being occupied within 25 feet of another by non-household members.
 - b. Hygiene Protocols:
 - i. Business must provide handwashing capability or sanitizer.
 - ii. Frequent hand washing by employees, and an adequate supply of soap, disinfectant, hand sanitizer, and paper towels must be available.

Lodging and Overnight Camping
Attachment L
Issued April 22, 2020
Effective April 24, 2020
Part of Phase I

- iii. Business must provide for hourly touch-point sanitization (e.g., workstations, equipment, screens, doorknobs, restrooms) throughout work site and common areas.
- c. Staffing:
 - i. Business must provide training for employees regarding these requirements and provide each employee a copy of the COVID-19 Mitigation Plan.
 - ii. Business must conduct pre-shift screening and maintain staff screening log.
 - iii. No employee displaying symptoms of COVID-19 may provide services to customers. Symptomatic or ill employees may not report to work.
 - iv. No employee may report to the work site within 72 hours of exhibiting a fever.
 - v. Business must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
- d. Cleaning and Disinfecting:
 - i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the business may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, businesses may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - i. CDC protocols can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html> and <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>.

III. Mixed Businesses/Application of Other Attachments

- a. If there is a dine-in restaurant on site, then Attachment F also applies.
- b. If there are retail services provided on-site, such as a gift store or convenience store, then Attachment E also applies.
- c. To the extent that the business has filed a protection plan as an essential business under Attachment A, that plan governs the business's operation for non-essential patrons.

Intrastate Travel And Outdoor Day Activity
Attachment M
Issued April 22, 2020
Effective April 24, 2020
Part of Phase I

By: Governor Mike Dunleavy 
Commissioner Adam Crum  Alaska Department of Health and Social Services
Dr. Anne Zink  Chief Medical Officer, State of Alaska

I. Applicability: This attachment applies to recreational intrastate travel and outdoor daytime activities (not overnight) and modifies travel restrictions in Health Mandate 012 and relevant portions of Health Mandate 011.

II. Intrastate travel and outdoor day recreation is permitted under the following conditions and guidance:

- a. Household Members: members of the same household, travelling in a passenger vehicle or car, are permitted to travel between communities and generally on the road system for any purpose, including, but not limited to, recreational or sightseeing activities conducted within the mandate guidelines.
- b. Day Recreation: members of different households may jointly engage in outdoor activity so long as:
 - i. The group does not exceed 20 persons;
 - ii. Non-household members shall not travel in the same vehicle together to the site of the activity;
 - iii. Non-household members shall maintain a six-foot distance from members of other households at all times during the outdoor activity.
 - iv. In mixed household groups, members of each group should wear cloth face coverings.
 - v. Non-household members must adhere to social distancing protocols, and shall refrain from touching each other and from sharing food or drink.
 - vi. The group shall assure members have sufficient hand sanitizer to disinfect hands during the activity and upon returning to the vehicle or car.
 - vii. Upon returning home, members of the group must wash their hands and wash their clothes before using them again.

III. Precautions while traveling:

- a. Stops shall be minimized on the way to the final destination.
- b. If travelers must stop for food, gas, or supplies, only one traveler shall engage with the third-party vendor. The traveler must practice social distancing by keeping six feet away from others when possible, and avoid crowded places whenever possible. Cloth face coverings should be used whenever a traveler engages with a third-party vendor(s).

Intrastate Travel And Outdoor Day Activity
Attachment M
Issued April 22, 2020
Effective April 24, 2020
Part of Phase I

- c. Travelers who have to stop, shall wash their hands or use hand sanitizer before exiting, and immediately after returning, to the car or vehicle.

IV. Additional information:

- a. Travelers should refer to Mandate 016 for further and additional information on how to navigate state and local rules regarding intrastate travel and recreation.
- b. Alaskans should refer to other mandates and guidance as appropriate when engaging in other activities, such as overnight camping or lodging.

Social, Religious, and Other Gatherings
Attachment N Revised
Issued April 24, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy
Commissioner Adam Crum
Dr. Anne Zink
Chief Medical Officer, State of Alaska

- I. Applicability:** This Attachment applies to all gatherings of individuals and social organizations, including funerals and weddings, not otherwise covered by other Mandates and Attachments. This Attachment modifies Health Alert 011 and Health Mandate 012. Businesses and non-profits are covered under other attachments to Mandate 016.
- II. Social Distancing Protocols for Individuals:** These requirements apply to both indoor and outdoor settings.
- a. Movement outside the home:
- i. Individuals are no longer required to stay home as previously required by Mandate 011.
 - ii. Individuals frequenting businesses must adhere to the requirements set forth in the relevant attachment applicable to that industry.
 1. When in public spaces, every effort should be taken to maintain six-foot social distancing from other members of the public. Social distancing is not required for members of the same household.
 2. In all gatherings that include multiple households, it is strongly suggested that cloth face coverings be worn by all participants. See Health Alert 010 for helpful information on cloth face coverings. This can be found online at:
http://dhss.alaska.gov/dph/Epi/id/SiteAssets/Pages/HumanCoV/SOA_04032020_HealthAlert010_ClothFaceCoverings.pdf
- b. Symptomatic Individuals:
- i. Any family member who is ill with COVID-19 must be immediately isolated in their home or other permitted place of isolation. See <https://www.cdc.gov/coronavirus/2019-ncov/hcp/guidance-prevent-spread.html#precautions>.
 - ii. Any individual who exhibits symptoms of COVID-19 illness must not leave their home or place of dwelling within 72 hours of their last fever, including to work, except as necessary to seek or receive medical care. Individuals who are symptomatic, but did not manifest a fever, must not leave their home or dwelling place until they no longer exhibit symptoms.

Social, Religious, and Other Gatherings
Attachment N Revised
Issued April 24, 2020
Effective May 8, 2020
Part of Phase II

- iii. Any individual who exhibits symptoms of illness may not participate in gatherings that include non-household members for at least 72 hours past their last fever. Individuals who are symptomatic, but did not manifest a fever, must not leave their home or dwelling place until they no longer exhibit symptoms.
- iv. Individuals who have known exposure to a person who has tested positive for COVID-19 shall self-quarantine for 14 days following the last exposure, and shall not participate in any gatherings with non-household members.

III. Guidance for Social and Other Gatherings, Generally:

For Indoor gatherings:

- a. This section applies broadly to any types of gatherings, including political, union, fundraising, or other group events, as well as meetings of individuals from different households.
- b. No gathering larger than 50 people is allowed, which includes the minimum number of necessary personnel to facilitate the event, or 50 percent maximum occupancy as required by law (whichever is smaller).
- c. Gatherings may include non-household members.
- d. Six-foot distancing should be maintained between non-household members.
- e. If singing or projecting of voice, then a minimum of ten feet between each person, unless a face covering is worn.
- f. At gatherings including non-household members, cloth face coverings should be worn, when possible. See Health Alert 010 for helpful information on cloth face coverings.
http://dhss.alaska.gov/dph/Epi/id/SiteAssets/Pages/HumanCoV/SOA_04032020_HealthAlert010_ClothFaceCoverings.pdf.
- g. If the event is being held in a building that is open to the public, and not an individual's home:
 - i. Establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff, volunteers, and the public.
 - ii. Entry signage must be posted notifying the public of the organization's COVID-19 Mitigation Plan and stating clearly that any person with symptoms consistent with COVID-19 may not enter the premises.
 - iii. Persons enter and exit through different entries using one-way traffic, where possible.
 - iv. The organizer or facility must provide handwashing capability or sanitizer.
 - v. Frequent handwashing by staff and volunteers, and an adequate supply of soap, disinfectant, hand sanitizer, and paper towels must be available.

Social, Religious, and Other Gatherings
Attachment N Revised
Issued April 24, 2020
Effective May 8, 2020
Part of Phase II

- vi. Organization must provide for hourly touch-point sanitization (e.g., workstations, equipment, screens, doorknobs, restrooms) throughout facility during the gathering.
- vii. No food or drink may be provided; if allowed at the venue, individuals may bring their own.

For Outdoor Gatherings:

- a. No gathering larger than 50 people is allowed.
- b. Social distance of at least six feet should be maintained between individuals and groups of non-household members.
- c. If singing or projecting of voice, then a minimum of ten feet between each person, unless a face covering is worn

IV. Additional Guidance for Religious Gatherings. The general guidelines on religious activities outlined in Health Alert 011 http://dhss.alaska.gov/News/Documents/press/2020/SOA_04072020_HealthAlert011_ReligiousServices.pdf still apply, except as amended below:

For Indoor Services:

- a. No gathering larger than 50 people is allowed, which includes the minimum number of necessary personnel or volunteers to facilitate the service, or 50 percent maximum occupancy, as required by law (whichever is smaller).
- b. Gatherings may include members from different households.
- c. Six-foot distancing should be maintained between non-household members.
- d. If singing or projecting of voice, then a minimum of ten feet between each person, unless a face covering is worn.
- e. At gatherings including non-household members, cloth face coverings should be worn, when possible. See Health Alert 010 for helpful information on face coverings.
http://dhss.alaska.gov/dph/Epi/id/SiteAssets/Pages/HumanCoV/SOA_04032020_HealthAlert010_ClothFaceCoverings.pdf .
- f. If in-person services (instead of livestream or drive-in services discussed in Health Alert 010) are held, the following requirements apply:
 - i. Establish a COVID-19 Mitigation Plan addressing the practices and protocols to protect staff, volunteers and the public.
 - ii. Entry signage must be posted notifying the public of the organization's COVID-19 Mitigation Plan and stating clearly that any person with symptoms consistent with COVID-19 may not enter the premises.
 - iii. Require persons enter and exit through different entries using one-way traffic, where possible.
 - iv. The organizer or facility must provide handwashing or sanitizer.

For the latest information on COVID-19, visit coronavirus.alaska.gov
State of Alaska COVID-19 Mandate 016 – Attachment N Revised
Social, Religious and other Gatherings – Phase II

Social, Religious, and Other Gatherings
Attachment N Revised
Issued April 24, 2020
Effective May 8, 2020
Part of Phase II

- v. Establish protocols for sacrament, communion, or collecting offering with minimal handling of the offering plate and money, and proper sanitization of hands and disinfecting of surfaces.
- vi. Frequent handwashing by staff and volunteers, and an adequate supply of soap, disinfectant, hand sanitizer, and paper towels must be available.
- vii. Organization must provide for hourly touch-point sanitization (e.g., workstations, equipment, screens, doorknobs, restrooms) throughout facility during the gathering.

For Outdoor Services:

- a. No gathering larger than 50 people is allowed.
- b. Social distance of at least six feet should be maintained between individuals and groups of non-household members.
- c. If singing or projecting of voice, then minimum of ten feet between each person, unless a safe covering is worn.
- d. Further guidance for community and faith-based organizations can be found at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/index.html>.

Libraries, Museums, and Archives
Attachment O
Issued May 7, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy 
Commissioner Adam Crum, Alaska Department of Health and Social Services
Dr. Anne Zink , Chief Medical Officer, State of Alaska

- I. Applicability:** This Attachment applies to all libraries, museums, and archives, and supersedes Mandate 2.1.
- II. Libraries, archives, and museums may resume operations if they meet all of the following requirements, as well as applicable local rules and ordinances:**
- a. General:
 - i. It is strongly suggested that cloth face coverings be worn by all employees and members of the public.
 - ii. No more than 25 percent of maximum occupancy for public areas, as required by law, is permitted at any one time.
 - iii. Social distance of at least six feet should be maintained between individuals and household groups.
 - iv. Each library, archive, or museum must establish a COVID-19 Mitigation Plan addressing practices and protocols to protect staff and the public.
 - b. Hygiene Protocols:
 - i. Employer must provide hand washing capability or sanitizer.
 - ii. Frequent hand washing by employees must be enforced.
 - iii. An adequate supply of soap and/or hand sanitizer, disinfectant, and paper towels must be available.
 - iv. Employer must provide daily touch-point sanitization (e.g., workstations, equipment, screens, doorknobs, restrooms) throughout the facility.
 - c. Staffing:
 - i. Employer must provide training for employees regarding these requirements and provide each employee a copy of the COVID-19 Mitigation Plan.
 - ii. Employer must conduct pre-shift staff screening and maintain a staff screening log.
 - iii. No employee displaying symptoms of COVID-19 may provide services to the public. Symptomatic or ill employees may not report to work.
 - iv. No employee may work within 72 hours of exhibiting a fever.
 - v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.

Libraries, Museums, and Archives
Attachment O
Issued May 7, 2020
Effective May 8, 2020
Part of Phase II

- d. Cleaning and Disinfecting:
- i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the library, archive, or museum may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, the library, archive, or museum may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - iii. CDC protocols can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html> and <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>.

III. Mixed Businesses/Application of Other Attachments

- a. Stores that operate within a library, archives, or museum are subject to the requirements of Health Mandate 016 - Attachment E for Retail Businesses .
- b. Cafes that operate within a library, archives, or museum are subject to the requirements of Health Mandate 016 - Attachment F for Restaurants Dine-In Services.
- c. Public gatherings and rentals of spaces within a library, archives, or museum are subject to the requirements of Health Mandate 016 - Attachment N for Social, Religious, and Other Gatherings.

IV. Best Practices Encouraged

- a. Entryway, Curbside, and home delivery is encouraged.
- b. Telephone and online reference requests for contactless pickup and delivery is encouraged.
- c. Move to and promote cashless and receiptless transactions is encouraged.
- d. Closure of hands-on and interactive exhibits is encouraged.

Swimming Pools
Attachment P
Issued May 6, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy

Commissioner Adam Crum
Dr. Anne Zink, Chief Medical Officer, State of Alaska

- I. Applicability:** This Attachment applies to pools and swim facilities, including facilities hosting swim clubs or teams, whether stand-alone or pools that are associated with a business offering other services (such as a gym or hotel).
- II. Pools can resume operations if they meet all of the following requirements:**
- a. Social Distancing:
- i. Each participant must be screened prior to entering the pool or locker room areas. No one can enter the pool or locker room areas who is exhibiting symptoms, or who has knowingly been in contact with a suspected positive case of COVID-19 within the past 14 days.
 - ii. No participant may use the facility or join an outdoor swim activity within 72 hours of exhibiting a fever.
 - iii. This screening, where reasonably feasible, should be conducted electronically, in advance. If the screening is in person, pens and touch screens must be sanitized before and after each use.
 - iv. No observers are allowed at practices or indoor events, except for parents or guardians.
 - v. Parents or Guardians should maintain a six-foot distance from other non-household parents or guardians while at practices or indoor events.
 - vi. It is strongly suggested that cloth face coverings be worn by all patrons and employees, except when in the water.
 - vii. Regular social distancing of six feet (except by household members), and hygiene protocols under (b) below, should be followed by staff and patrons.
 - viii. Where possible, 10-foot social distancing by non-household members should be maintained while swimming laps or otherwise exercising in the pool.
 - ix. Avoid congregating on the deck of the pool or other common areas.
 - x. Occupancy of the actual pool must not exceed 50 percent maximum pool occupancy, as allowed by law.
 - xi. Entryway signage must notify the public of the business's COVID-19 Mitigation Plan and clearly state that any person with symptoms consistent with COVID-19 may not enter the premises.
- b. Hygiene Protocols:
- i. Facility must provide handwashing capabilities or sanitizer.

Swimming Pools
Attachment P
Issued May 6, 2020
Effective May 8, 2020
Part of Phase II

- ii. Employers must ensure frequent handwashing by employees, and provide an adequate supply of soap and/or hand sanitizer, disinfectant, and paper towels.
 - iii. Pool, deck, and other communal spaces must be fully sanitized prior to opening each day.
 - iv. Employer must provide for hourly touch-point sanitization (e.g., on all workstations, equipment, screens, and doorknobs) throughout work site.
 - v. Restrooms may be open, but must be cleaned and disinfected hourly.
 - vi. Patrons should arrive at the facility in swimwear.
 - vii. Stand-alone Pool and Swim Facility: Locker Rooms will be closed. Arrive in suits with towel. Restroom must be cleaned after each and every use. Shower protocol on arrival. Doors remain open.
 - viii. Gyms or Fitness Center Pools: Locker rooms must be adequately addressed in the mitigation plan and conform to all health mandates, or be closed.
 - ix. Ancillary accommodations such as Steam Rooms, Saunas, and Jacuzzis/hot tubs shall remain closed.
- c. Staffing:
- i. Employer must provide training for employees regarding these requirements and provide each employee with a copy of the business mitigation plan.
 - ii. Employer must conduct pre-shift staff screening and maintain a staff screening log.
 - iii. Symptomatic or ill employees may not report to work.
 - iv. No employee may report to the work site within 72 hours of exhibiting a fever.
 - v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
- d. Cleaning and Disinfecting:
- i. Water: Per CDC guidance, proper operation and maintenance, including disinfection with chlorine and bromine, should inactivate any virus in the water. <https://www.cdc.gov/coronavirus/2019-ncov/php/water.html>
 - ii. Facility: Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the business may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.

Swimming Pools
Attachment P
Issued May 6, 2020
Effective May 8, 2020
Part of Phase II

- iii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, businesses or facilities may shut down for a period of at least 72 consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
- iv. CDC protocols can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html> and <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>.

III. Pools are encouraged to follow additional best practices:

- a. Move to and promote the use of cashless and receipt-less transactions.
- b. Customers should enter and exit through different entries using one-way traffic, where reasonably feasible.

Bars
Attachment Q
Issued May 7, 2020
Effective May 11, 2020
Part of Phase 1I

By: Governor Mike Dunleavy 
Commissioner Adam Crum 
Dr. Anne Zink  Chief Medical Officer, State of Alaska

I. Applicability: This Attachment applies to establishments that serve alcohol, including standalone bars and bars located within restaurants, hotels, resorts, and breweries (collectively “Bars”).

II. Bars may resume operations if they meet all of the following requirements:

a. General:

- i. Maintain social distancing protocols.
- ii. Continue to follow all regulatory and legal standards required to operate.
- iii. Develop protocols in the bar’s COVID-19 Mitigation Plan to minimize direct contact between employees and customers/groups, and increase physical distancing.

b. Capacity:

i. Indoors

1. Groups limited to household members only.
2. Limit maximum indoor capacity to 25 percent of maximum building occupancy, as required by law.
3. Tables must be at least ten feet apart.
4. Non-household patrons seated at the bar should be seated at least six feet apart from other patrons.

ii. Outdoors

1. Groups limited to household members only.
2. No more than 20 tables.
3. Tables must be at least ten feet apart.

c. Operations

- i. Walk-ins are permitted if a log is kept that has sufficient information to be able to contact a patron should the need arise.
- ii. It is strongly suggested that cloth face coverings be worn by all employees interacting with the public.
- iii. Entryway signage must state that any customer who has symptoms of COVID-19 cannot enter the premises.

Bars – Phase II

Page 1 of 3

Bars
Attachment Q
Issued May 7, 2020
Effective May 11, 2020
Part of Phase II

- iv. Bar must establish a COVID-19 Mitigation Plan addressing practices and protocols to protect staff and the public and maintain a hard copy of the written plan including safety, sanitization, and physical distancing protocols (specific to COVID-19) on the business premises.
 - v. Bar staff must fully sanitize applicable bar, tables, and seating after each patron or group.
 - vi. Bar Staff must use new drink coasters between each beverage.
 - vii. Bars must sanitize or provide disposable menus if menus are provided.
 - viii. Bars should use disposableware when available.
 - ix. Bars must provide for hourly touch-point sanitization (including at all workstations, equipment, screens, doorknobs, restrooms).
 - x. If food services are offered, Mandate 016 - Attachment F must be followed. Additionally, no communal food is allowed among non-household members.
- d. Hygiene:
- i. Employer must provide hand washing capability or hand sanitizer for staff and patrons.
 - ii. Bar must ensure frequent hand washing by employees, and an adequate supply of soap and/or hand sanitizer, disinfectant, and paper towels must be available.
- e. Staffing:
- i. Bar must provide training for employees regarding these requirements and its COVID-19 Mitigation Plan.
 - ii. Bars must conduct pre-shift staff screening and maintain a staff-screening log.
 - iii. No employee displaying symptoms of COVID-19 will provide services to customers. Symptomatic or ill employees may not report to work.
 - iv. No employee may work within 72 hours of exhibiting a fever.
 - v. Employer must establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
- f. Cleaning and Disinfecting:
- i. Cleaning and disinfecting must be conducted in compliance with CDC protocols weekly or, in lieu of performing the CDC cleaning and disinfecting, the business may shut down for a period of at least 72 consecutive hours per week to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.
 - ii. When an active employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting must be performed as soon after the confirmation of a positive test as practical. In lieu of performing CDC cleaning and disinfecting, businesses may shut down for a period of at least 72

consecutive hours to allow for natural deactivation of the virus, followed by site personnel performing a comprehensive disinfection of all common surfaces.

- iii. CDC protocols can be found online at:
<https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html> and <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>.

III. Bars are encouraged to follow the additional best practices:

- a. Move to, and promote the use of, cashless and receiptless transactions.
- b. Allow for patrons to enter and exit through different entries using one-way traffic, where reasonably feasible.

Theaters
Attachment R
Issued May 7, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy 
Commissioner Adam Crum, Alaska Department of Health and Social Services
Dr. Anne Zink, Chief Medical Officer, State of Alaska

- I. **Applicability:** This Attachment applies to all movie and performing arts theaters.
- II. **Theaters may resume operations if they meet all of the following requirements.**
 - a. **Social distancing**
 - i. No more than 25 percent maximum business occupancy, as required by law, is permitted at any one time.
 - a. Limit seating to two seats between each non-household customer to provide for at least six feet between non-household members; and
 - b. Limit seating to every other row.
 - ii. It is strongly encouraged that cloth face coverings be worn by all patrons.
 - iii. Reservations are required. Walk-ins are prohibited.
 - iv. Theaters must establish a COVID-19 Mitigation Plan addressing practices and protocols to protect staff and the public.
 - v. Entryway signage notifying the public of the theater business's COVID-19 Mitigation Plan and stating clearly that any person with symptoms consistent with COVID-19 cannot enter the premises.
 - vi. Each customer must be screened prior to the activity. No customer can enter the theater who is exhibiting symptoms or who has knowingly been in contact with a suspected positive case of COVID-19 within the past 14 days.
 - vii. No customer may enter the business within 72 hours of exhibiting a fever.
 - viii. This screening, where reasonably feasible, should be conducted electronically, in advance. If the screening is in person, pens and touch screens must be sanitized before and after each use.
 - b. **Hygiene Protocols:**
 - i. Facility must provide handwashing capability or sanitizer.
 - ii. Water fountains and vending machines must be addressed in the mitigation plan or turned off and marked inoperable

Theaters

III. Mixed Businesses/Application of Other Attachments

- i. Stores that operate within a theater are subject to the requirements of Health Mandate 016 - Attachment E for Retail Businesses.
- ii. Any food service operated within a theater is subject to the requirements of Health Mandate 016 - Attachment F for Restaurants Dine-In Services.
- iii. Any alcoholic beverage service that qualifies as a “bar” within a theater is subject to the requirements in Health Mandate 016 - Attachment Q for Bars.

IV. Theaters are encouraged to follow additional best practices:

- a. Move to and promote cashless and receipt-less transactions.
- b. Allow for customers to enter and exit through different entries using one-way traffic, where reasonably feasible.
- c. Provide reserved hours of operation limited to high-risk populations.

Bowling Alleys
Attachment S
Issued May 6, 2020
Effective May 8, 2020
Part of Phase II

By: Governor Mike Dunleavy 
Commissioner Adam Crum, Alaska Department of Health and Social Services
Dr. Anne Zink, Chief Medical Officer, State of Alaska

I. Applicability: This attachment applies to all bowling alleys.

II. Bowling alleys may resume operations if they meet all of the following requirements:

a. Social Distancing:

- i. No more than 25 percent maximum building occupancy, as required by law, is permitted at any one time.
- ii. Social distancing of at least six feet between non-household members should be maintained.
- iii. Lanes must be staggered to maximize social distancing between groups, unless the groups are from the same household.
- iv. It is strongly encouraged that cloth face coverings be worn by all employees and patrons.
- v. Reservations are required. Walk-ins are prohibited. Groups are limited to household members only; participants cannot bowl with people from other households.
- vi. Bowling alleys must encourage guests to bring their own ball.
- vii. Bowling alleys must sanitize public bowling balls every four hours and make disinfectant spray available for public use.
- viii. Bowling alleys must sanitize shoes after each use.
- ix. Bowling alleys must establish a COVID-19 Mitigation Plan addressing practices and protocols to protect staff and the public, and develop protocols to minimize direct contact between employees and customers/groups, and increase physical distancing.
- x. Entryway signage notifying the public of the bowling alley's COVID-19 Mitigation Plan and stating clearly that any person with symptoms consistent with COVID-19 cannot enter the premises.
- xi. Each participant must be screened prior to bowling. This screening, where reasonably feasible, should be conducted electronically, in advance. If the screening is in person, pens and touch screens must be sanitized before and after each use.
- xii. No one can participate who is exhibiting COVID-19 symptoms or who has knowingly been in contact with a suspected positive case of COVID-19 within the past 14 days.
- xiii. No participant may enter the business within 72 hours of exhibiting a fever.

- a. Stores that operate within a bingo hall are subject to the requirements of Health Mandate 016 - Attachment E for Retail Businesses.
- b. Any food service operated within a bingo hall is subject to the requirements of Health Mandate 016 - Attachment F for Restaurants Dine-In Services.
- c. Any alcoholic beverage service that qualifies as a “bar” within a bingo hall is subject to the requirements in Health Mandate 016 - Attachment Q for Bars.

IV. Bingo halls are encouraged to follow additional best practices:

- a. Move to and promote cashless and receipt-less transactions.
- b. Allow for customers to enter and exit through different entries using one-way traffic, where reasonably feasible.
- c. Provide reserved hours for operation limited to high-risk populations.
