

4.24.120 - Assessment notice.

- A. On or before March 1st of each year, the assessor shall give to every person named in the assessment roll a notice of assessment showing the assessed value of that person's property.
- B. Each assessment notice shall be printed with a brief summary of the dates when taxes are payable, delinquent, and subject to penalty and interest, and the dates when the board of equalization will sit.
- C. The assessment notice shall be sufficiently given if it is mailed by first-class mail 30 days before the equalization hearings, addressed to, or delivered at, the address last known to the assessor. The date on which the notice is mailed or is delivered shall be deemed to be the date on which the notice is given for purposes of this chapter.
