Hi Savannah,

Will you please pass the attached report onto the Haines Borough Parks and Recreation Committee. We want to make sure that they understand that there's three trails that cross through Trust land, and none of them have any type of authorization in place. A solution would be for the borough to seek a trails easement agreement from the Trust Land Office, otherwise the trails are in trespass, as well as any commercial operator utilizing the trails for the purpose of generating revenue.

Thank you!
