Dear planning commission,

- #1. Kindly delete phase 3 of the Lutak Dock since receiving goods does not require phase 3.
- #2. Kindly do not allow our Haines Highway to become an ore haul road. The Stewart World Port in BC is their answer.
- #3. Kindly consider residents who live along the highway, enjoy daily walks by the road.
- #4. Kindly keep this Scenic Highway the World Class Scenery that it has.
- #5. Kindly regard the health of fish, eagles and all others along Haines Highway.
- #6. Kindly know that understanding compassionate deliberations are worthwhile characteristics.
- #7. Kindly have a fine, thoughtful meeting and do the kind thing.

Kindly,
