Alekka,

Please see attached letter of support from AML and a snip below from Delta Western stating our proposed operations will not impact their operations in the area. Can you share this with the planning commission? Thanks,

Hi TJ,

Sorry about the delay in responding- it's a busy time of year for us.

On behalf of Delta Western, we are in favor of Southeast Roadbuilders/SECON's conditional use permit for a gravel pit near the Lutak Dock. This will not impact our business.

Sincerely,

Jake Eckhardt
